United Kennel Club

Outstanding UKC Cur & Feist Nite Hunt

Dog of the Year Program

The Program

The program is established to promote UKC Cur & Feist events, recognize those winning dogs throughout the year, and to ultimately name a Dog of the Year. Cur dogs are eligible to earn points in Squirrel Events and Nite Hunts. Races are separated by Cur and Feist and a separate Nite Hunt standings for Curs. The program is herein referred to as "DOY".

Dog Eligibility

Any UKC Registered Cur or Feist may compete for points towards DOY. Any dog not yet registered with UKC at the time the cast win was earned will not be credited with any DOY points unless or until notified by the owner and given those specific event details after the dog has been permanently registered at United Kennel Club office. Those dogs recognized by United Kennel Club as one of the Squirrel dog breeds are the only breeds eligible for DOY points.

Those breeds eligible for DOY points are as follows:

- Mountain Feist
- Mountain Cur
- Treeing Tennessee Brindle
- Treeing Feist
- Stephen's Cur
- Black Mouth Cur
- Treeing Cur

Points System

A dog receives one (1) point for each cast win earned at UKC Licensed Squirrel Hunt Events. A cast win earned and credited towards a dog's degree is a point towards DOY. Any cast win that is not credited towards a dog's degree is not considered for DOY points.

Points may be earned at any UKC Licensed Squirrel Hunt. Points are tabulated throughout the calendar year beginning on January 1st and ending on December 31st of each year. Points will be awarded to any eligible dog that has earned cast win(s) on that beginning date. Standings will be listed and updated monthly and posted on the UKC website and published in Full Cry magazine.

National Runoff

At the conclusion of each year, a National Runoff will determine the Outstanding UKC Squirrel Dog of the Year. Those dogs eligible for the runoff and competing for the title are those who finished in the top seven placements in the standings.

The dog who earned the most points throughout the year will receive a first-round bye at the National Runoff. This dog will automatically advance to the Final Cast at the National Runoff. Those dogs who finished second through seventh in the Final Standings (six dogs) will be drawn out in two casts in Round 1 at the National Runoff. The two cast winners in Round 1 will advance to the Final Cast and compete against the top points recipient for the title of Outstanding UKC Dog of the Year.

Any ties associated with first through seventh place in the Final Standings, will be determined as follows:

1. The dog who earned its points at the most different clubs.
2. The dog who earned its points in the most different states.
3. The dog with the highest placing at the UKC World Hunt excludes Nite Hunt Standings (dog entered wins out over dog not entered. Non-cast winners refer to first round scores).
4. The dog who earned those final total points first.
