UKC is the trademark of the United Kennel Club located in Kalamazoo, Michigan. The use of the initials UKC in association with any other registry would be in violation of the registered trademark. Notify the United Kennel Club, 100 E Kilgore Rd, Kalamazoo MI 49002-5584, should you become aware of such a violation.

Lure Coursing is a competition of primarily Sighthound breeds, structured in a brace elimination format and is designed to test and evaluate the skills required in a coursing dog. The format draws from traditional English and early American coursing tests. Each portion of the course tests a particular skill, and the winner is declared by the judge at the end of each course. This combination of a simplified format, and objective judging, will serve to attract existing coursers as well as new participants. Many dogs of all breeds are passionate about chasing the lure, so provision is made for all dogs, including mixed-breeds, to participate through the Coursing Aptitude Tests, structured as a single dog format evaluating the same skills as a coursing meet.

Exhibitor Guidelines. It is the responsibility of all exhibitors to do whatever they can to assist the host club and promote the family flavor of UKC events and good sportsmanship. Exhibitors' clothing should be neat and clean. Their apparel speaks to the respect they have for the sport, the event and its proceedings. Exhibitors' dogs should be clean and, where necessary, brushed or trimmed to present a neat appearance. Experienced exhibitors should make an effort to help new exhibitors; the future of the sport is in the hands of the beginner. All exhibitors must display good sportsmanship and respect for others. Exhibitors should take care when discussing a score/placement with the judge and accept the decision of the judge gracefully. Remember, it was the judge's evaluation of THAT performance on THAT day. Exhibitors should always keep their area clean, dispose of all dog waste appropriately and leave an event site in the condition they found it. Every exhibitor is expected to know the rules before competing and be ready to abide by them.

Finality of judges' decisions. By entering any coursing meet or coursing aptitude test, the owner and/or handler of any dog agrees to accept the decision of the judge as final. The decision of a judge is the opinion of the judge and not that of the United Kennel Club.

CHAPTER 1 – GENERAL RULES

Section 1. Jurisdiction. The following rules and regulations governing UKC licensed lure coursing meets and the awarding of UKC Championship points, qualifying scores and titles issued by United Kennel Club, Inc., are uniform and are not given on a local or geographical basis. *All UKC licensed Lure Coursing meets shall be governed by the Official UKC Rules for Dog Events, the Official UKC Lure Coursing Rulebook, and the UKC Misconduct and Discipline Guidelines for Dog Events.*

Section 2. Who may offer Lure Coursing Meets. Any UKC club that is eligible to offer coursing meets may be licensed to offer Regular Stakes, *Coursing Tested and/or Coursing Aptitude Tests*. UKC reserves the right to grant, withhold or revoke event licenses at its own discretion.

Section 3. Eligibility of Dogs. To be eligible to compete in licensed lure coursing events dogs must be:

- At least twelve (12) months of age on the day of the event.
- On the day of the event, the dog must be permanently registered, have a valid Temporary Listing (TL) number, or a Limited Privilege (LP)/Performance Listing (PL) number (LP/PL numbers are for performance events only). At a Pre-Entry only event, the dog must be Permanently Registered, have a valid TL or a valid LP/PL number by the pre-entry deadline date of the event.
- To enter the Regular Stakes, a dog must be an eligible breed as defined in Chapter 1, Section 10.A of this rulebook and must have earned a Coursing Tested (CT) title, with at least one of the legs earned by running with competition. Dogs will be exempt from this requirement if they have earned a racing or coursing title from another approved organization.

The following titles will exempt a dog from the CT requirement to enter the regular stake. Proof of this title in the form of a photocopy of the title certificate must be included with the first entry at a UKC Coursing Meet.

- Canadian Kennel Club: FCh, NC (Novice Courser)
- American Kennel Club: FC, SC
- American Sighthound Field Association: FCh, LCM
- Large Gazehound Racing Association: GRC

- Dogs that have been disqualified by a judge at a UKC Licensed event in accordance with the *Official UKC Rules for Dog Events, Chapter 1, Section 14*.
- Dogs that are unfit to course must not enter or participate in coursing events. Judges have the right to excuse any dog they deem is unfit. The judge's decision is final. Dogs whose physical condition would compromise its ability to safely compete may be determined "unfit".
- Blind dogs must not enter and/or compete in Lure Coursing meets. A blind dog is defined as no useful vision.
- Lamé dogs must not enter and/or compete in Lure Coursing meets. A lame dog is defined as a dog demonstrating impaired locomotion, so as to limp or move with difficulty.

The host club has the option of refunding the entire entry fee or retaining up to 50% of the fee as a processing fee of any competitor who provides a veterinarian's certificate verifying that the female came into season after the closing date for entries.

- Pregnant or lactating females may not participate in UKC coursing meets. A judge who reasonably believes that a dog is pregnant or lactating must excuse the dog and mark the reason in the judge's book. The judge's decision is final and need not seek the opinion of a veterinarian.
- Dog that appear to be ill or dogs with sutures, bandages, adhesive or any other material that is indicative of or related to any surgical or medical procedure must not be entered in a coursing meet.
- No dogs under the influence of a performance-altering drug may participate in Lure Coursing meets.
- Any dog found to be participating in a licensed UKC lure coursing event in any condition described above must be given a mandatory excusal by the judge.

Section 5. Eligibility of Owners/Handlers. Coursing handlers may be any age provided the handler is able to control the dog. Handlers are not required to own the dog in order to enter or compete. A judge may excuse a dog at any time if they believe the handler is unable to control the dog. The judge's decision is final.

Section 6. Handlers with Disabilities. Only one person may handle a dog in the ring/competition area. Handlers may use a wheelchair, crutches, cane or any other means of mechanical assistance in this area. The judge may also make reasonable modifications to the extent that it assists the handler. No modification may be made that gives any advantage to the handler's dog or that changes the dog's part of the required exercise/performance in any way.

Section 7. Entering a UKC licensed lure coursing event. Dogs must be Permanently Registered, have a Limited Privilege (LP)/Performance Listing (PL) number or have a valid Temporary Listing number. Dogs that are entered and compete in licensed UKC events that do not meet the above requirements will have their wins invalidated. No dog may be entered in any class for exhibition only.

Section 8. Invalid entries. Any dog coursed in a licensed class and whose entry is subsequently determined to be invalid after the event shall receive no points but shall count as having competed.

Section 9. Official UKC Entry Form. Entries to all events must be submitted using the most current official UKC entry form. Entry forms must be complete when submitted to the Event Secretary, including a valid UKC Permanent Registration number, UKC Limited Privilege (LP)/Performance Listing (PL) number or UKC Temporary Listing (TL) number. Incomplete or unsigned entry forms, or entries unaccompanied by entry fees, are invalid and are to be refused by the Event Secretary/Event Manager. The entry form used to enter the event and signed by the exhibitor specifically states that the exhibitor is familiar with UKC rules and regulations and agrees to abide by them.

Section 10. Eligible Breeds. The eligible breeds for lure coursing meets include any purebred dog or Limited Privilege/Performance Listed dog designated as one of the eligible breeds listed below; (breed will be indicated on the dog's Easy Entry™ Card).

- a. Each dog shall be assigned an entry number and the host club must write the assigned number on the submitted entry form and provide an armband/label displaying the entry number to the person exhibiting the dog.
- b. **Day-of-meet entries (aka Day of Show).** Clubs accepting day-of-meet entries must establish a day-of-meet (day of show) entry deadline time after which no further day-of-meet entries shall be accepted for that day's event. This information will be published with the other event information on the UKC website www.ukcdogs.com. In the case of extreme weather or other emergency conditions, the Event Committee may decide to extend the taking of entries or delay the start of all judging by a reasonable period of time, or both. In such cases, the extension of entry-taking or delay of judging must be explained in writing by the Event Secretary when submitting the event report.
- c. **Pre-entry.** Clubs accepting pre-entries must establish a pre-entry deadline. The pre-entry deadline must be published with the other event information on the UKC website and on any official event announcement. Clubs may offer a discounted entry fee for pre-entries. In such cases, exhibitors whose entries fail to be "received by" the pre-entry deadline date may be accepted at the club's discretion but must pay the full entry fee.
- d. **Pre-Entry Only.** Clubs may elect not to take day-of-meet entries. In such a case, the club must include this information on its Event Application for a Scheduled Weekend. Such events will be designated "PRE-ENTRY ONLY" on the UKC website and in any official event announcement.

Section 12. Exhibitors with more than one dog entered in a course. Exhibitors who enter more than one dog in a course must be prepared to provide an additional handler for the additional dog if coursing in the same course. If an exhibitor has more than one dog entered, and a different person is handling the dog, the handler must meet the qualifications for the class in which the dog is entered.

Section 13. Conditional Entries. An entry which specifies any condition as to its acceptance must not be made and must not be accepted by a club.

Section 14. Refusing an entry. Host clubs may refuse the entry of an otherwise eligible dog and/or exhibitor. A club's decision is subject to review by UKC; in most cases it will not be overturned except where there is strong evidence that the club's decision is based on prohibited categories of discrimination (race, religion, national origin, sexual/gender orientation, etc.). UKC reserves the right to overturn a club's decision to refuse an entry for any reason. Clubs who choose not to accept any entry of an otherwise eligible dog and/or exhibitor must notify the owner/exhibitor in writing, with the reason why their entry(ies) will not be accepted by the club, and must send a copy of the notification to UKC. Should a day-of-show/trial entry be refused, the host club must notify the UKC with an explanation of why the entry was refused and send it in with the event reports for that event.

Section 15. Refund or Cancellation of Entry. The Host club shall be responsible for their own refund and/or cancellation of entry policy with the exception of a Female in Season as described in Chapter 1, Section 4. It is suggested that the policy be posted. No refunds will be offered for missed running time.

Section 16. Substitutions of an Entered Dog. The Host club shall be responsible for their own substitution of an entered dog policy. It is suggested that the policy be posted. If substitutions are allowed, the new dog must meet all entry eligibility requirements for entering a UKC event. Substitutions of a dog are prohibited when the close of entry deadline time has been reached or the dog is ineligible to compete. No refunds will be offered for missed runs.

Section 17. Corrections or changes to entry form. Corrections or change requests to any entry form must be done in writing. The exhibitor must complete an Official UKC Class Change/Entry Correction Form as provided by the club. The Event Secretary/Manager must attach the form to the original entry. Corrections to the dog and/or owner information may be made at any time prior to the judging of the event in which the dog is

being judged. Class changes must be completed prior to the start of any judging in which the class change is effective. In the case of a club running two shows simultaneously, the club must post its class change policy at the entry table and the Event Secretary/Manager's table on the day of the show, or publish the class change policy in the Judging Schedule.

- a. **Corrections of dog's and/or owner information.** An exhibitor or owner may correct the owner's contact information if what was submitted on the entry form is no longer valid. The exhibitor or owner may also correct the dog's name OR the dog's registration number on an individual entry, but he/she may not change both on the same entry form.
- b. **Class changes.** Any dog that has, according to the owner's records, completed the requirements for a UKC title may be shown at the next level of competition at the first event following the completion of the title. Once a dog has been shown at the higher level of competition, it may not be returned to a lower level class unless the owner has been notified by UKC that the dog is ineligible for the higher level. If the owner's records are incorrect, all wins earned while showing at the higher level of competition shall be invalid. Once an owner has been notified that his/her dog has earned a coursing title, the dog must thereafter be shown in the class appropriate to its title level.

Section 18. Judging Schedule. Start time for licensed classes. At pre-entry only meets, judging must start at the advertised start time. At all other meets, judging must start at the advertised start time or as soon as possible thereafter if there are a large number of day-of-meet entries. No dogs are to be judged prior to the start time advertised in any official event publication or on the UKC website. Dogs should be present at the time of judging. Judges are not required to wait for dogs. When the event site only accommodates a single area, and a club is offering both conformation and a performance event, conformation shall be judged last so that the performance dogs are not distracted by the scent of female dogs in season.

CHAPTER 2 RULES APPLYING TO EXHIBITORS AND SPECTATORS

UKC exhibitors and spectators are expected to display good behavior and good sportsmanship on and off the course. Every exhibitor is expected to know the rules before competing and be ready to abide by them. The judge is responsible for the course and must be sure the course is clear before running any dog. He/she may also excuse and/or dismiss any exhibitors from the course. The Event Committee and/or host club officers may expel any exhibitor and/or spectator from the event grounds for violations of these rules or conduct that interferes with the event and event participants.

Section 1. Complaints about the judge's placements. By entering a UKC event, the exhibitor is inviting the opinion of the judge and must accept the judge's decision as final. The decision of a judge is the responsibility of the judge and not that of the United Kennel Club. Exhibitors are encouraged to discuss their runs with judges but may not argue about the judge's placements. If a judge is in violation of a specific UKC rule, it should be brought to the attention of the host club's Event Committee for a resolution. If the exhibitor believes the judge has violated a specific UKC rule which could not be resolved by the host club's Event Committee, or feels as if the judge's knowledge of the lure coursing rules is inadequate, complaints may be filed with UKC but must address specific deficiencies and/or rule violations. Complaints must be made in writing to the UKC. No anonymous complaints will be accepted. Electronic audio or video recordings will not be considered by UKC when reviewing a judge's competency to judge a lure coursing event.

Section 2. Control of the dog. Exhibitors are expected to keep their dogs under control at all times. The Event Committee may expel from the show grounds any person whose failure to control a dog interferes with judging or with the ability of other exhibitors to course their dogs.

Section 3. Double handling. Persons outside the course are prohibited from any intentional actions designed to affect the performance of a run. This prohibition shall apply equally to persons attempting to improve or to impair a performance. The Event Committee may expel from the show grounds any person they reasonably believe is double handling. Judges may excuse exhibitors (and their dogs) who they reasonably believe are benefiting from "double handling."

Section 4. Interfering with the judge. No person may interfere with the judge in any way while he/she is judging a course.

Section 5. Course and event grounds cleanup. Exhibitors are required to clean up after their dog if it fouls the course or the event grounds. The steward may bring cleaning supplies to the exhibitor and may hold the dog while the owner cleans the course. Any exhibitor who fails to clean up after his dog may be directed by the Event Committee to leave the event grounds.

Section 6. Performance-altering drugs or supplements. The use of performance altering drugs or supplements is strictly prohibited. Owners and handlers are presumed to know the condition of their dogs and risk disciplinary action for exhibiting dogs under the influence of performance-altering drugs.

Section 7. Misbehavior of handlers. The judge must excuse a handler who exhibits poor sportsmanship. The judge has sole discretion whether or not to allow the dog of an excused handler to continue to participate in the meet with a substitute handler. The judge's decision in these matters is final.

Section 8. Handler Misconduct. A handler who abuses their dog anywhere within the course area, which includes, but is not limited to, the starting line, the course/field and/or finish line shall be excused immediately by the judge. The judge must mark the dog as excused and the reason in the judge's book for the excusal. The host club's Event Committee or any person witnessing a dog being abused on the event grounds may file a complaint in accordance with the *Official UKC Rules for Dog Events, Misconduct and Discipline Guidelines, category 1*. Poor sportsmanship that rises to the level of misconduct must be dealt with in accordance with the rules as set forth in the *Official UKC Rules for Dog Events and Misconduct & Discipline Guidelines, category 1*. The handler shall not be permitted to exhibit until the hearing has been held. A different handler may exhibit any additional dogs the handler has entered. In this case the club is not required to refund entry fee(s) for said dog or any additional dogs the exhibitor has entered on that day regardless if the dogs were shown or not.

CHAPTER 3 LURE COURSING CLASSES AND TITLES

UKC lure coursing titles must be earned successively. Equivalent titles from other venues, may not be substituted for UKC coursing titles in determining eligibility for a class. A club may choose to offer any of the applicable licensed lure coursing classes on the Event Application for a Scheduled Weekend. Each entered dog shall be checked in with the Event Secretary. Dogs that are entered in a coursing meet for the Coursing Test may check in with the entered Regular stake hounds if they are eligible as bye dogs, or may check in at a later time if they are to run alone following the coursing meet. If a separate Coursing Aptitude test is also being offered, it may specify a different check in time. Dogs absent from Check In will be marked absent and ineligible to run in the meet.

Section 2. Conflicts. If the meet is large enough and the schedule appears to create a conflict due to one exhibitor showing multiple dogs, multiple classes, or in multiple events, the Event Secretary should be notified so that accommodations, if allowed, can be made. A club hosting their coursing event in conjunction with other events may anticipate the likelihood of conflicts, and will be prepared to deal with them, but the exhibitor must also be flexible enough to deal with the requirements likely to result from multiple entries. All conflicts must have the judge's approval.

Section 3. Handlers Meeting. Following check in, there will be a Handlers Meeting, where the event procedures and rules will be explained. It is recommended that all handlers be present for the handlers meeting.

Section 4. The Draw. Following check in, the Event Secretary shall sort the dogs into stakes.

- a. **Breed stake.** Breeds that have 4 or more dogs entered may run as a breed stake. Stakes may be run with 4, 6, or 8 dogs, with the larger stakes preferred. Maximum entry for a stake is 8 dogs. In the event of multiple stakes of the same breed, the Stake winners will run off for Best of Breed. If there are an odd number of dogs, they may either run with the addition of a bye dog, or one dog may be moved to a mixed stake. For example, if there are 7 dogs, one bye dog may be added to make a stake of 8, or one of the entered breed may be moved to a mixed stake to leave a stake of 6. Breed stakes will be random drawn for running position. Mixed stakes will be seeded in the breed order listed below, and then drawn at random within each breed.
- b. **Mixed Stake.** Breeds that have fewer than 4 dogs entered will run together with other breeds in a mixed stake. Stakes consisting of 8 dogs are preferred, but may run as a 4 or 6 dog stake if necessary.
 - 1) Breed order for mixed stake shall be as outlined below. Limited Privilege/Performance Listed dogs eligible should be seeded according to their breed, or breed similarity.

- d. **Coursing Blanket colors requirements.** The first dog listed in each brace will wear a yellow blanket, the second will wear a pink blanket, and any bye dogs (if drawn) will wear a blue blanket.
- e. **Bye Dogs.** A bye dog is a dog that is entered in the Coursing Test that wishes to run with competition for a qualifying run. If at any time during a meet, an unfilled position remains, either through an odd number of dogs advancing, or an owner withdrawing an advancing dog, the Event Secretary may fill that position with a bye dog, provided that dog has been checked in. Bye dogs will wear a blue blanket to identify them to the judge, who will record their run as pass/fail. After the completion of the finals, any bye dogs remaining to run shall be drawn to run in braces. If no bye dog is available, the advancing dog will run alone. No dog in a regular stake shall have more than 1 bye. If this situation arises, the Event Secretary shall shift a dog up from the following course, and replace it with a bye dog in its original course.
- f. **Failure to be present at a scheduled stake.** A dog that is absent for the running of their stake will be marked absent by the judge or allowed to run in a later stake at the discretion of the judge. The judge's decision is final.

- c. **Endurance.** In the final portion of the course, the judge will assign a score of 0 - 5 points to each dog, based on their endurance. Care should be taken to differentiate between a dog that lacks endurance, and one which checks his speed and slows as the lure stops.

Section 3. Bonus and/or Penalty points.

- a. **Bonus points.** Judges may assign a bonus of up to 2 points for overall ability, a 'take' during the course (if such a take is the result of superior ability rather than lure operator error), a 'take' at the end of the course, remarkable recovery from a fall, avoidance of a collision, or other such demonstration of superior coursing ability. Stake Winner. The last remaining undefeated dog in each Breed or Mixed Stake shall be declared the stake winner.

Mixed Stake. A competitive stake (of multiple courses) consisting of dogs of different breeds.

Permanent Registration. A UKC "Permanent Registration Certificate" serves as proof of your dog's registration with UKC and confirms the dog is eligible for all registration, breeding, and event participation privileges.

Pre-entry and Pre-Entry Only. Some UKC clubs offer pre-entry in addition to day-of-event entry. Pre-entries must be **received** by a specific date (usually called the "closing date" and published in any official event announcement and on the UKC website), and are normally lower in price than day-of-show entries. Events that do not accept day-of-show entries are designated as "PRE-ENTRY ONLY" in any official event announcement and in the Upcoming Events listing on the on the UKC website.

Pre-slip. Occurs when a hound is released before the Huntmaster calls the "Tally Ho".

Qualifying Run. A pass/fail (non-scored) run in which the dog must complete the entire course with enthusiasm and without interruption (Coursing Aptitude Test).

Sportsmanship. Conduct that demonstrates proper consideration for fairness, ethics, respect and a sense of fellowship with one's competitors; while exhibiting responsibility, self-control and respect for both authority and opponents.

Regular Stake. A competitive stake for sighthounds in which points are earned towards coursing titles. Includes both Breed and Mixed Stakes.

Stake. Stakes may be run with 4, 6, or 8 dogs, with the larger stakes preferred. Maximum entry for a stake is 8 dogs.

Tally Ho. The command from the Huntmaster to the handlers to release the dogs at the start of each course. Dogs may not be released before the 'T' in Tally Ho.

Take. The catch of the lure by a dog while running.

Temporary Listing (TL) number. A Temporary Listing is a number issued to an eligible dog that is not permanently registered with UKC, prior to the start of any licensed events. A TL number allows that dog to be entered and shown as a valid entry, receive wins and have those wins converted onto its record once permanently registered.
