2011 UKC PREMIER Dog Show is dedicated In Loving Memory of Delores Telfer

Loyal UKC employee, faithful friend,
loved by all who knew her.

Welcome to PREMIER!

There are millions of healthy purebred dogs in America with wonderful temperaments and excellent breed instincts. At the United Kennel Club, we want to keep that tradition alive and encourage breeders to produce dogs that look and act the part. To achieve that goal, the UKC PREMIER features our Total Dog Competition. Total Dog is a different approach to dog shows; it's the UKC way. To qualify for Total Dog, dogs must have a conformation win *and* qualify in one or more of the PREMIER's performance events. The performance events are a great way to test and showcase the temperament, health, and athleticism of our canine friends. As we like to say, *Our Dogs Do Stuff!*

The participation in the UKC Total Dog competition grows every year. In 2009, the overall quality was so impressive that on the spur of the moment (the beauty of UKC flexibility!), we decided to have a Total Dog Best In Show competition for all the qualifiers. Last year, an astounding 148 UKC Total Dogs proudly represented 55 different breeds in multiple events. The response was so positive that this year we are pleased to present the first ever *UKC Total Dog Group Competitions* as well as the UKC Total Dog Best In Show!

As enjoyable as Total Dog is for spectators and exhibitors, it was created to do much more. Active dogs with active people encourage the human-canine bond. Well-trained dogs are better diplomats for their breed and become lifelong members of their family and community. Total Dog reminds us of the great things purebred dogs can do. Most important to me, however, is that striving for Total Dog encourages breeders to keep health and temperament the first priority and to avoid conformation extremes that are deleterious to a breed's overall well-being. By selecting breeding stock for the qualities that make a Total Dog, we are creating healthier, happier, better adjusted dogs for everyone.

We at the UKC never want to be the registry of just another pretty face. We are the Total Dog Registry. We are Real Dogs for Real People.

March 7, 2011

Dear UKC Premier Dog Show Participants:

Welcome to the City of Kalamazoo!

On behalf of the City of Kalamazoo, I extend a warm welcome to the United Kennel Club 2011 Premier Dog Show participants. We are honored to be your host and welcome you back to Kalamazoo for your annual event. Kalamazoo is the City of the Kalamazoo Promise (www.kalamazoopromise.com), the City of Promise, and a Jewel of Michigan.

You will find Kalamazoo to be warm and friendly. The heart of the vibrant downtown area is filled with unique restaurants, retail stores, art galleries, coffee shops, pubs, and microbreweries. The Kalamazoo Public Library, the Kalamazoo Valley Museum, and the Kalamazoo Institute of Arts are within easy walking distance of the downtown district.

Also nearby is the outdoor Arcadia Festival Site, the location for many special entertainment events throughout the warm spring, summer and fall months. For sports enthusiasts, nearby Mayors' Riverfront Park is home to the Kalamazoo Kings baseball team, and adjacent to the park and available to walkers and joggers is the Kalamazoo River Valley Trailway, which borders the Kalamazoo River. Other area Trailway attractions include the Celery Flats scenic walking/biking trail, and the Kal-Haven Trail, which connects the Kalamazoo area to the Lake Michigan community of South Haven where there are beautiful public beaches.

We are confident that you will have an enjoyable and rewarding experience, and encourage you to check our City's website at www.kalamazoocity.org and explore the links to the many recreational and leisure activities in our area.

Again, welcome to Kalamazoo and best wishes for a wonderful event!

Once you Discover Kalamazoo, you'll be back. We promise!

Supporting the journey,

Bobby J. Hopewell
Mayor

COMBINED JUDGING PROGRAM

Each exhibitor entered in any of this weekend's events will receive this combined Judging Program. This envelope includes confirmation of each entry **and a single armband for each dog that is entered**. This armband is assigned to that dog for all events hosted by the United Kennel Club. If you lose your armband, report to the Superintendent's table immediately for a replacement.

SCHEDULING CONFLICTS FOR DOGS COMPETING IN MULTIPLE EVENTS.

- a. Exhibitors are responsible for being available for judging at the scheduled time.
- b. Every possible effort will be made to accommodate exhibitors who have dogs entered in multiple events, but Judges are not required to wait for dogs. Exhibitors are advised to notify stewards in all rings affected by the conflict so that judges may more easily work around any conflicts.
- c. If an Agility, Lure Coursing, Obedience, Rally Obedience or Terrier Race exhibitor misses a scheduled judging time, the judge has the discretion to allow that exhibitor to show at the end of the class (when applicable) or mark the dog absent. The Judge's decision is final.
- d. All Star competition and entry into other events on the All Star competition day. Exhibitors please be advised that the Agility, Obedience, Terrier Race and Weight Pull All Star Invitationals are not required to make allowances or accommodations for dogs and/or handlers entered in the All Star Competition and any other event. Additionally, a dog entered in the Weight Pull All Star competition will be required to pull with its respective weight class. No conflicts between the Weight Pull All Star competition and any other activity will be accommodated on Thursday, June 16, 2011.

CLASS CHANGE/CORRECTION OF ENTRY

1. Owners are responsible for the accuracy of information in the entry forms, regardless of who may make such errors. Owners and exhibitors are responsible for correcting any errors in their entry.
2. Dogs that, according to their owners' records, have completed the requirements for a title after the closing of entries, may be transferred from the entered class to another class for which they are now eligible, provided that a request for transfer is made in writing to UKC not later than one-half hour prior to the start of any regular judging at the event.
3. All other corrections to entries must be made in writing to UKC using the appropriate form provided not later than one-half hour prior to the start of any regular judging at the show.

Dogs should be clean, with nails cut to a length suitable for the dog to perform the work for which it was bred, and with clean teeth. The Judge's determination that this rule has been violated shall be final. UKC enforces rules against artificially altering pigment and coat color, coat texture, and surgical alterations as outlined in the UKC® Rules and Regulations.
4. THE OWNER OR DESIGNATED HANDLER of each dog is solely responsible for having it ready at ringside when its class is to be judged. The host organization, event committee, and superintendent have no obligation or responsibility for providing service through a public address system, or stewards or runners for the purpose of locating dogs that are not brought into the ring when required.
