Application for DNA Profiling

Type or print clearly one form for each sample submitted.

(For Office Use Only)

Fee _____ Profile In _____
In Date _____ Profile Sent _____
Received By _____ Profile Sent By _____
Date Kit Mailed _____ Date Completed _____
Kit Mailed By _____ Completed By _____
Paid By _____

1. Select DNA Type:

- DNA PROFILE** Registered owner may apply to DNA Profile any dog. The registered owner will receive a *Certificate of DNA Analysis* reflecting the DNA status of that dog. The DNA status will appear either as DNA-P or DNA-VIP if the dog's parents have also been profiled and are compared and verified to the dog being tested.
 \$45.00
- DNA Certification** For a dog that has been profiled by MMI Genomics, Inc., but not through UKC. This procedure puts DNA on UKC records. **Copy of Certificate of DNA Analysis from MMI Genomics must be attached.** No sample is required.
 \$8.00
- DNA-VIP Transfer of Ownership** To be used to transfer registered owner information on the DNA database. A new *Certificate of DNA Analysis* will be issued to reflect the new owner information. No sample is required.
 \$15.00
- Duplicate Cert of DNA Analysis** For a Certificate of DNA Analysis that has either been lost, stolen or destroyed. A duplicate certificate will be issued only to the registered owner. Please include a written explanation for the request.
 \$15.00
- DNA - VIP Upgrade** Dog is automatically upgraded to verify identified parentage (DNA - VIP) when dog's sire and dam have been profiled compared and verified. For a DNA - VIP certificate choose this option.
 \$5.00

Test results will be mailed only to registered owner. Please allow 4-6 weeks for delivery.

See reverse side for additional Rules Governing DNA Profiling and Certification.

fo25aadm/Rev. 6-08

Rules Governing DNA Profiling & Certifications

- Paperwork mailed in with DNA will not be held unless indicated to do so.
- All applications must be filled out completely. If any portion of the application is left blank it may cause a delay in the processing of your dog's profile.
- All applications must be signed by the registered owner of the dog that is being profiled. Only the registered owner's signature will be accepted.
- All UKC litter-registered dogs must be permanently registered before they can be DNA Profiled.
- United Kennel Club, Inc., allows dogs to be DNA Profiled even if they are not registered with UKC. DNA does not make the dog eligible for UKC registration.
- Those individuals who have already had their dogs profiled with MMI Genomics, but not through UKC, may certify their dogs DNA information with us by sending a copy of the *Certificate of DNA Analysis* with a completed DNA Application. See DNA Certification on the front of this application for further instructions. United Kennel Club will acknowledge DNA results only from MMI Genomics.
- Dual-Sired litters are permitted. A dual-sired litter application is available upon request. In order to file for a dual-sired litter, both sires and the dam and all of the puppies must be profiled to allow us to compare them to each possible set of parents. Once the correct parentage of each pup has been established, the litter will then be registered. Please contact the DNA Department at United Kennel Club for further information.
- All DNA information is considered confidential. DNA results will be released only to the registered owner.
- United Kennel Club, Inc., reserves the right to correct, withhold or revoke any registration certificate or pedigree resulting from DNA exclusions.
- United Kennel Club reserves the right to require any dog or dogs to be profiled pursuant to the maintenance of the integrity of UKC records. A person who refuses to consent to profiling a dog over which he/she is the registrant may be barred from all United Kennel Club privileges.
- Please check that the following items have been enclosed in your envelope prior to being mailed.
 - a. completed application for DNA profiling (including signature);
 - b. DNA sample (enclosed within the DNA test swab envelope);
 - c. proper fee (if not prepaid)
