INHERENT RIGHTS & POWERS OF UKC

(Revised December 18, 2009)

United Kennel Club holds and has reserved to itself certain inherent rights and powers in connection with conducting its business, registering litters, transferring registrations of dogs, licensing events, and awarding titles. These inherent rights and powers include but are not limited to the following:

United Kennel Club has the right to inspect all reports, scorecards and documents related to UKC events. Some, but not all, of the items subject to inspection are:

- a) scores;
 - b) disqualifications of dogs for fighting or other reasons;
 - c) errors by the recording person; and
 - d) documentation excluded for any reason. UKC reserves the right to correct any mistakes found during such inspection whether or not the document has the signature of a Judge or Club Officer. UKC reserves the right to itself and in its sole judgement and discretion, to take such actions and impose such sanctions as would:
- a) Bar an individual from entering or participating in any way in any UKC licensed event.

- b) Bar an individual from transferring or registering any pups or dogs in that person's name (joint or full registration) or to any member of that person's family.
 - c) Bar an individual from receiving Championship points for any dog registered in that person's name (joint or full registration).
- By way of illustration, the following constitute some, but not all, of the situations calling for the above sanctions:
- a) Falsification or alteration of a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
 - b) Falsification or alteration of any reports of wins issued to UKC
 - c) Falsification or alteration of receipts issued by UKC Judges.
 - d) Switching, wrongfully using or attempting to use a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
 - e) Selling or attempting to sell a dog with false or incorrect UKC Registration Certificate or Pedigree.
 - f) Intimidating, threatening, or injuring a Judge, Club/Association member or official, event participant or spectator, or UKC representative.

The six illustrations given above are only by way of example and UKC reserves to itself its inherent right and power to impose such sanctions in any other circumstances deemed appropriate by UKC.

Any individual who is found guilty by a court of law of a crime involving dogs will be barred from United Kennel Club for an indefinite period. A person shall be considered guilty in a criminal proceeding if they are convicted by a judge, jury, or if they enter a plea bargain or other arrangement to plea to a lesser offense, or if their case is disposed of by any form of deferred adjudication; a person shall be considered guilty in a civil proceeding if they are held responsible or liable by a judge, jury, or if a compromised settlement is reached between the parties.

Revised January 1, 2013

The goals and purposes of this breed standard include: to furnish guidelines for breeders who wish to maintain the quality of their breed and to improve it; to advance this breed to a state of similarity throughout the world; and to act as a guide for judges.

Breeders and judges have the responsibility to avoid any conditions or exaggerations that are detrimental to the health, welfare, essence and soundness of this breed, and must take the responsibility to see that these are not perpetuated.

Any departure from the following should be considered a fault, and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog and on the dog's ability to perform its traditional work.

HISTORY

There is considerable doubt as to the origin of the Beagle. Beagles are known throughout Europe, and are the smallest of the scent hunting hounds. In literature, they were mentioned as far back as 1475.

Their popularity has been greater in the United States and Canada. Beagles have been in the "Top Ten" of most popular breeds for over 30 years, and are one of the most popular breeds in America.

The UKC Hunting Beagle is a "total" dog, excelling as a hunter while possessing excellent conformation. Looks and ability go hand-in-hand in developing the ideal UKC Hunting Beagle.

GENERAL APPEARANCE

The Beagle has been referred to as "a foxhound in miniature". A smooth, short-haired hound, slightly longer than tall. Ears lay close to the head. Usually tri-color (black, white and tan), but all typical hound color combinations are acceptable.

Because the Beagle is first and foremost a hunting hound, scars (the result of honorable wounds) shall not be considered faults nor shall they be penalized by Judges. This includes cuts, nicks, notches on the ears, and/or ears that are frayed at the edges from working in brush, tall grass, etc.

Disqualifications: Unilateral or bilateral cryptorchid.

CHARACTERISTICS

An independent personality is a generalization of most hounds, although individuals may vary. Has a good hound voice. Usually friendly disposition. Can make a good house pet or outside dog.

Disqualifications: Viciousness or extreme shyness.

HEAD & SKULL

The skull is fairly long. It is slightly domed at the occiput. The cranium is broad and full. The muzzle is of medium length. It is straight, and square cut, with the stop moderately defined.

TEETH - A full complement of strong, white teeth meet in a scissors or level bite.

Disqualifications: Overshot bite. Undershot bite. (Overshot or undershot is defined as having a visible gap between the upper and lower teeth.)

EYES - The large eyes are set well apart. They have a soft, hound-like expression; gentle and pleading. They are brown or hazel in color.

Disqualification: Blind.

EARS - The ears are set moderately low, setting close to the head. The forward edge turns slightly into the cheek. They are long reaching when drawn out, extending nearly to the end of the nose. They are fine in texture. The ears are fairly broad and rounded at the tip; with almost no erectile power.

Disqualification: Deaf.

NECK

The medium-length neck rises free and light from the shoulders. It is strong in substance, yet not loaded. The throat is clean and free of folds of skin. A slight wrinkle below the angle of the jaw is acceptable.

Faults: A thick, short neck carried on a line with the top of the shoulder. Throat showing dewlap and folds of skin, termed "throatiness."

FOREQUARTERS

The clean, muscular, sloping shoulders convey the idea of freedom of action with activity and strength. They are not heavy nor loaded.

FORELEGS - The straight forelegs have plenty of bone in proportion to the size of the hound. The pasterns are short and straight.

Faults: Straight, upright shoulder. Out at the elbows. Knees buckled or bent backwards. Crooked or bowed forelegs.

BODY

The chest is deep and broad, but not so much as to interfere with the free play of the shoulders. The back is muscular and strong. The broad loins are slightly arched. The well-sprung ribs provide an abundance of lung room.

Faults: Disproportionately wide chest. Lack of chest depth. Very long, swayed, or roached back. Flat, narrow loins. Flat, narrow ribs.

HINDQUARTERS

The strong, well-muscled hips and thighs provide an abundance of propelling power.

HIND LEGS - The stifles are strong and well let down. The firm, symmetrical hocks are moderately bent.

FEET

The feet are close, round, and firm. The pads are full and hard.

Faults: Long feet. Open, spreading feet.

TAIL

The tail is set moderately high. It is carried gaily over the back with a slight curve, not turned forward. It is short as compared with the size of the hound, and has a brush. *Faults:* A long tail. Excessive curve. Inclined forward from the root. Rat tail with absence of brush.

COAT

The Beagle has a close, hard, hound coat of medium length.

COLOR

All typical hound color combinations. No solid colors are acceptable.

Disqualification: Albinism.

HEIGHT AND WEIGHT

Not to exceed 15 inches. Height is measured across the shoulders at the highest point (withers), with the hound standing in a natural position, with its feet well under it, not leaning forward or backward.

ELIMINATING FAULTS

(An Eliminating Fault is a Fault serious enough that it eliminates the dog from obtaining any awards in a conformation event.)

Over 15 inches in height.

DISQUALIFICATIONS

(A dog with a Disqualification must not be considered for placement in a bench show/conformation event, and must be reported to UKC.)

Unilateral or bilateral cryptorchid.

Viciousness or extreme shyness.

Albinism.

Overshot bite. Undershot bite. (Overshot or undershot is defined as having a visible gap between the upper and lower teeth.)

Deaf.

Blind.

RELATIVE IMPORTANCE OF BODY PARTS

To aid in the judging of Beagles, the following illustration is presented as a guide to assist the Judge. It must be remembered that balance is the most desired quality to seek in evaluating dogs. It is the way those parts work in unison that make up the proper working hound. Remember: the whole dog is more important than the individual parts!

EVENT INFORMATION

Revised January 1, 2019

Entering Dogs in UKC Licensed Events

1. REGISTRANT

A registrant is any individual whose name appears on the front of the Registration Certificate or the UKC Easy Entry™ Card. If the Registrant utilizes the Registration Certificate instead of the UKC Easy Entry™ Card, they may enter the dog in the event provided that the Transfer Application is blank.

2. NEW REGISTRANT

The new Registrant(s) is/are an individual(s) who has/have purchased a dog from the current Sole Signatory/Registrant(s). The new Sole Signatory/Registrant(s) may enter the dog as Conditional (see Conditional Entries below) until the dog is transferred to the new Sole Signatory/Registrant(s). The new Sole Signatory or any new Registrant will enter the dog listing it in its current registered name, the current Sole Signatory's/Registrant's name (Seller) as the owner and the new Sole Signatory or any new Registrant as the handler. The new Sole Signatory or any of the new Registrants may not enter using the old Sole Signatory or the old Registrant's UKC Easy Entry™ Card.

3. SOLE SIGNATORY

Effective April 15, 2013 any dog that is registered to more than one Registrant must select a Sole Signatory. Up to four Registrants will be permitted on a dog's record. The individual whose name appears first on the Registration Certificate and UKC Easy Entry™ Card is recorded as the Sole Signatory of the dog. The individual selected and recorded as the Sole Signatory will assume all registration responsibility for the dog. The signature of the Sole Signatory is required to transfer the dog or register any offspring. However, any Registrant listed on the dog's record is permitted to enter the dog in a UKC event.

EVENT ENTRY REQUIREMENTS

Participant must submit one of the following to entry takers.

1. Dog's Registration Certificate. A photo or a copy of the front page of a dog's Registration Certificate is also an acceptable form of entry provided it shows all information including dog's name, UKC number, date of birth, and the registered owner's info.

2. Dog's UKC Easy Entry™ Card. A photo of the dogs' UKC Easy Entry™ Card is also an acceptable form of entry.

3. **CONDITIONAL:** A Conditional Entry is one where the participant is not in receipt of the required Registration Certificate or UKC Easy Entry™ Card for

the dog. The participant may enter their dog as Conditional with a fee of \$5 in addition to the entry fee. It is the responsibility of the owner and/or handler that the information provided to the entry taker is accurate. Otherwise, Championship points or wins for the entry might not be awarded. Entry takers shall not require any copies of the Registration Certificate, UKC Easy Entry™ Card or otherwise. It is the responsibility of the participant to provide the most accurate information possible. Club officials will make record of any Conditional Entries taken on the Event Fees Worksheet Form included in the Event Packet.

4. **PENDING:** Dogs may be entered as "pending" only if the Beagle is single registered the day of the event in which they wish to enter, or if single registration application has been sent to United Kennel Club within 45 days prior to the date of the event they wish to enter. Once permanent registration papers are received by registrant, that dog can no longer be entered as pending.

5. **NON-REGISTERED DOG:** Dogs may be entered as a "Non-Registered Dog" with a fee of \$3, in addition to the entry fee. Clubs must note fees taken on their Event Fee Worksheet and include with all other event fees to UKC. If the dog entered places in the event the owner is given 60 days to single register the dog with the UKC. They must attach a copy of the win receipt(s) along with the single registration application and mail it to UKC. Any Championship points earned expire if the dog is not registered within 60 days after the event.

However, the owner may request the expired points be reinstated after the dog has been registered by submitting a copy of the win receipt(s) along with a fee of \$50 to UKC Field Operations.

NOTICE - Dogs which fulfill the requirements for a UKC Hunting Beagle Champion or Grand Hunting Beagle Champion may be entered in the next level of competition even though they have not been officially notified of their new title by United Kennel Club.

NOTE - This is contingent on the condition that the records kept by the dog's registrant are in accordance with those kept by UKC. Neither UKC nor the host club is responsible for any mistakes made by the registrant of these dogs concerning the dog's degree. If it is found that the registrant's records were in error, and the dog had not fulfilled the requirements for a Championship title, all points attained by that dog in the higher level will be considered void.

WARNING - Clubs not following the entry requirement procedures as noted above risk losing approval to conduct future UKC licensed events.

UKC EASY ENTRY™ CARD

Updated cards will be mailed, along with the Championship Degree, to the Registered Owner without charge, each time the dog earns a new UKC title. Registered owners may still enter their dogs on their UKC Registration Certificate if they wish. Additional Easy Entry™ cards are available for a fee from the Registration Department for dual ownership situations.

SINGLE REGISTERING BEAGLES AT UKC EVENTS

Revised January 1, 2019

The single registration process has been approved for Hunting Beagle events in an effort to provide a service to hunters all across the country. This process will benefit the hunter by allowing him to initiate the registration process at Hunting Beagle events. It will also benefit your club by bringing many new people to the club to register dogs, as well as building a larger base of registered dogs, which the club will draw to licensed events.

Dogs may be single registered in the morning and then run in the Registered portion of the hunt. Upon entry, the dogs UKC number should be listed as pending. All dogs registered at the club level are subject to final approval at United Kennel Club.

Dogs may be single registered at events by following the outline below:

1. One club member should be responsible for single registering dogs. The more hands that are involved in the process, the greater the chance of confusion.
2. Provide three (3) color pictures of the dog. One of each side of the dog, and one of the front of the dog, all at eye level and in a standing position.
3. It is not required to take a height measurement of the dog for registration purposes.
4. The registrant of the dog must completely fill out the registration application. Ancestry that is not known may be omitted and will be referred to as open on the pedigree. Be sure to have them answer the questions on the back of the application.
5. Collect the fee that is due and issue the individual a receipt for their payment. The club may wish to purchase a receipt book for this purpose. The single registration fee is listed in the upper right hand corner of the registration application.

It will become the club's responsibility to forward all single registration applications along with the three photos and the proper fee to UKC. This may be sent along with the club's hunt report following the event. For your protection, please transfer all

cash received into the form of a check or money order prior to mailing.

This process allows the hunter a chance to receive an application, have pictures taken, have the application approved by a club officer and sent into the UKC office for them. With a minimal effort on behalf of the hunter and the club, another dog will soon be eligible to compete in licensed Hunting Beagle events.

Please forward any questions regarding the pre-registration process to the Field Operations department at United Kennel Club.

MEASURING HOUNDS

Revised January 1, 2016

The act of measuring hounds is important in two different situations at all UKC Beagle events. First, any hound single registered on the day of the event, must be measured prior to entry of the hunt.

Second, all hounds except those that are permanently measured must be measured the day of the event prior to entry of hunt or show. Those hounds measuring over 15 inches will not be eligible to be hunted or shown that day. If a hound meets the measurement requirement in the morning prior to the hunt, that same hound need not be measured for the show. The registrant/handler of a hound that is measured over 15 inches by one of the entry takers, may appeal to have the hound measured by the Master of Hounds/Hunt Director or Bench Show Judge. Their decisions are final.

A drop bar type measuring stand or a rigid, one piece, wicket-type stand set for 15 inches are both acceptable types of measuring devices. A tape measure is not an acceptable means of measuring dogs at events. Dogs must be measured at ground level. The height of the dog is the distance from the ground to the top of the shoulders or withers. This point at the top of the shoulders is where the neck appears to meet the shoulders. The dog's legs should be directly under him and not leaning forward or backward. The registrant/handler may assist in posing the dog and steadying him. No physical alterations may be made to dogs to comply with height restrictions.

AWARDS AT UKC LICENSED EVENTS

The Host Club has a few different options for awards to their winners. Trophies or plaques are the most popular because winners then have a memento by which to remember that hunt. Clubs may also choose to have a Poor Boy event where no awards are given. Generally, entry fees are lower for Poor Boy events. If the club chooses to not give awards they are strongly

encouraged to note “Poor Boy” on the Event Confirmation form so it can be advertised as such.

Monetary prizes may also be awarded. The club may choose to pay back entry fees or some other monetary prize to their winners. In the event they wish to include an added purse in their award package the club should include such notice in the Special Instructions section when confirming the event. Distribution of such prize money is the sole responsibility of the club. The UKC will not enter into any disputes thereof.

The club must understand and be aware that there may be additional law and tax implications that they will need to adhere should they be interested in awarding monetary prizes or conduct any Calcutta type activities at their event. UKC cannot provide any legal advice or information regarding any additional laws and/or tax implications that may be associated with such activities, and is not responsible for any complications that may arise. Clubs are responsible for ensuring compliance on their own, and must know that they proceed at their own risk with any such activities.

TITLES OF EXCELLENCE AND THE REQUIREMENTS TO EARN THEM

The rules, regulations, classifications, classes and Championship points as recognized by United Kennel Club are uniform throughout the United States and Canada. They are not given on a local or geographical basis.

The degrees of excellence as issued and recognized by the United Kennel Club are:

1. UKC HUNTING BEAGLE CHAMPION (HBCH) - The official UKC points awarded in the Registered portion of a UKC licensed hunt are as follows:

PLACE	POINTS	PLACE	POINTS
1st.....	40	6th.....	15
2nd	35	7th.....	10
3rd	30	8th	5
4th.....	25	9th	5
5th.....	20	10th	5

To be declared an official Hunting Beagle Champion, a dog must have at least 100 UKC points recorded on the records in the UKC Championship Office and have at least one first place win in a UKC licensed Hunt.

2. UKC SHOW CHAMPION (CH) - The following points and classes have been established for the placement of a UKC registered dog in order to earn Show Championship points.

Definition of Classes: Males and females are shown separately except in the Best of Winners, Champion, and Grand Champion categories.

Puppy Class: Shall be dogs at least six months of age and under one year of age. The winner of this class will be awarded ten points.

Junior Class: Shall be for dogs one year of age and under two years of age. The winner of this class will be awarded ten points.

Senior Class: Shall be for dogs two years of age and under three years of age. The winner of this class will be awarded ten points.

Veteran Class: Shall be for dogs three years of age and over. The winner of this class will be awarded ten points.

Best Male and Female: Shall be selected from the winners of the Puppy, Junior, Senior and Veteran classes. Best Male and Best Female will be awarded 15 points.

Best of Winners: Shall be awarded to the winner of Best Male shown against Best Female. The winner will be known as Best of Winners and will be awarded ten points. If no competition in Best of Winners class, Best of Winners points will be withheld.

Points Awarded:

First in Class - Males	10 points
First in Class - Females	10 points
Best Male	15 points
Best Female	15 points
Best of Winners	10 points

Qualifications for Show Champion: A Show Champion will be a dog that has earned a minimum of 100 UKC recorded Championship points and one win with competition while showing for Best Male or Best Female. Points must have been earned under at least three different UKC licensed Show Judges. Champion Males and Females are shown together and a Championship win will be awarded to the winner.

3. UKC GRAND HUNTING BEAGLE CHAMPION (GRHBCH) - Earned by winning five Hunting Beagle Champion events at a UKC licensed hunt. In this portion of the event, only Hunting Beagle Champions compete against Hunting Beagle Champions.

The number of dogs awarded Hunting Beagle Champion wins is based on the number of Champions entered in the event.

# Of HBCH's Entered	# Of Dogs Given HBCH Placements
1 - 20	1
21 - 40	2
41 - 60	3
61 & Over	5

Placements will only be given to Champions who are cast winners. For example, in an event in which there are 45 Champions entered, the three highest scoring Champion cast winners would be given wins.

4. UKC GRAND SHOW CHAMPION (GRCH) - A Grand Show Champion will be a dog that has won five Champion classes under at least three different UKC licensed Show Judges. Winning may be over a period of years at any UKC licensed show. Degree of Grand Show Champion will be awarded to the registrant. Male and Female Grand Show Champions are shown together.

NOTE: A dog is not an official Champion or a Grand Champion until the records of the dog in the UKC Registration Office indicate same.

UPCOMING LICENSED EVENTS

Revised January 1, 2019

To aid clubs and provide one complete source of upcoming event advertising information, UKC requires that a club provide UKC with complete information about their events. The information will then appear in the free event list, also known as "Upcoming UKC Licensed Events".

This information appears each month in *American Beagler* and the UKC website, listing all UKC licensed events for the following month. For example, information on July events will appear in the June issue.

"Upcoming UKC Licensed Events" contains the following information: location, directions, date, licensed events held, entry deadlines, entry fees, and who to contact and their phone number. The information is organized first by state and then by date within that state. If information in an advertisement for an event disagrees with the information found in the Upcoming Events list, the "Upcoming Events" listing on the UKC website is the final authority and what the club must go by.

Example:

MICHIGAN

MI, Kalamazoo; Kalamazoo Co. Beagle Club; follow I-94 north to N Westnedge exit; turn right; 1/2 mile to club. Contact Bob Jones (269) 555-1234.

Jan. 14 Show 12:00 p.m. \$6. Hunt 8:00 a.m. CH. & GR. 12:00 p.m. \$10.

Explanation of Example

In Kalamazoo, Michigan, the Kalamazoo Co. Beagle Club, on January 14, will be having a Beagle Bench Show and Hunt. The deadline for entry for the Bench Show is 12:00 p.m. and the entry fee is \$6. The Hunt deadline is 8:00 a.m. for taking Registered entries and 12:00 p.m. for Champions and Grand Champions entries. The Hunt entry fee is \$10.

CLUB OFFICERS GUIDELINES FOR CONDUCTING LICENSED EVENTS

January 1, 2019

Scheduling Your UKC Dates:

1. Clubs must contact the Field Operations Department at the United Kennel Club at the following address to request any new available dates.: Field Operations/United Kennel Club, 100 East Kilgore Road, Kalamazoo MI 49002-5584, (269) 343-9020 or at hounds@ukcdogs.com. The club may schedule any available date that does not conflict with another club's event.

To avoid conflicts, no two clubs will be scheduled within 100 miles. UKC endeavors to maintain the same dates for your licensed club events from year to year; however, they may vary a week or so, depending on the change in the calendar. These dates cannot be changed without approval from United Kennel Club. UKC will mail an Event Confirmation Form to your corresponding officer approximately four months prior to your event. If there is any question about your dates, contact the Field Operations office immediately. Clubs or organizations cannot advertise their events until they have received a Confirmation of their requested date from the United Kennel Club.

2. Request for additional club dates must be made with ample time to meet Upcoming Events publication requirements. (Allow at least 60 days prior to the event.) A maximum of three dates for UKC licensed events will be granted for the first probationary year, thereafter a maximum of 7 dates may be granted, provided the club is drawing a reasonable number of entries.

3. A club may not change the location of an event without contacting UKC at least 90 days prior to the event. UKC reserves the right to grant or deny approval.

4. When the Confirmation is received by the corresponding officer, they must fill out all the requested information. The club determines and sets the entry deadlines and fees. If all information is not included, no license will be granted. Return one copy of the Confirmation with the proper fee two months prior to the event by the first of the month. Provided the completed confirmation is received on time, your event will then be listed, at no charge, in the "Upcoming UKC Licensed Events" listing in *American Beagler* magazine and on the UKC website the month before the event is to be held. If the confirmation is not received by the deadline, the date will not be held for the next year unless UKC is contacted to hold the date.

5. License Fees

- a. Hunt: \$25
- b. Bench Show: \$17

6. Checks or money orders for fees are to be made payable to the United Kennel Club and mailed along with UKC's copy of the confirmation.

7. Advertising Your Event.

- a. Advertising other than that appearing in *American Beagler* and UKC website free upcoming events listing is recommended but not required.
- b. If club does decide to advertise, the information in the advertisement must be the same as the information in the Upcoming Events listing. If information in an advertisement for an event disagrees with the information found on the website Upcoming Events Listing, then the website listing (UCE) is considered correct and what the club must go by.

How to Conduct your UKC Licensed Event.

Revised January 1, 2019

1. License and Event Supplies:

- a. Event supplies are available from UKC and mailed to the club before the beginning of the calendar year. Some event material is also available on the UKC website.
- b. Upon receipt of the package, the corresponding officer should check to make sure they have received all needed materials. If not, contact UKC immediately at (269) 343-9020 or fieldoperations@ukcdogs.com.
- c. If the package is not received two weeks prior to the event, contact Field Operations immediately at (269) 343-9020 or fieldoperations@ukcdogs.com.

2. Licensed Officials: All clubs holding UKC licensed events must check to see that the person serving their event has a current UKC license. If the person does not have a current license in their possession, DO NOT schedule them to serve as the event official. You have the right to request to see the license, or you may contact UKC for verification. If the individual serves your event without a current license, the club will be responsible and may lose approved status for future UKC licensed events. This policy will be rigidly enforced. If you have difficulty obtaining a licensed individual to judge your event, check the UKC website for a list of licensed judges in your region. Please confirm the status of the license well in advance of the event.

Clubs may also choose the option of using a Hunt Director to serve as the official for the hunt. The Hunt Director is not required to be a licensed Master of Hounds but must be well-versed on entry require-

ments and all drawing cast procedures. A dog registered to the Hunt Director may be entered in the event provided the dog is handled by an individual other than the Hunt Director. The Hunt Director must stay at the clubhouse during the hunt. For more information on the Hunt Director's authority and responsibilities, refer to the Master of Hounds Responsibilities section of the rulebook.

Note: A Hunt Director may not be used to judge a bench show. The bench show judge must be a licensed Bench Show Judge.

3. Things to do the Day of the Event:

- a. Post legible signs at all major intersections directing participants to your club.
- b. The club must decide the amount of time that all casts will be running (60 or 90 minutes). Post that length of hunt time being used for the event. Post the length of the Registered Winners Pack (60 or 90 minutes). Note: It is mandatory that WQE events are 90-minute hunts.
- c. Post entry deadline time and deadline for return of scorecards.
- d. Club is responsible for having an adequate number of qualified guides and judges on hand.

4. Taking Entries: Carefully follow the procedures outlined under the "Master of Hounds/Hunt Director Guidelines" and "Entering Dogs in UKC Licensed Events".

5. Reporting the Results of Your Event to UKC:

- a. Complete the Official UKC report forms. Be sure that the UKC number, the registrant's name, city and state, and the handler's name are correct. Use dog's complete registered name on reports.
- b. The completed Event Report forms are to be checked by the club officer to make sure all is completed. Hunt Report Forms must be signed by the Master of Hounds/Hunt Director. Bench Show Report Forms must be signed by the Bench Show Judge.
- c. Clubs must retain their copies of their reports in addition to the scorecards for a period of one year.
- d. Completed and signed reports are then to be returned to UKC's Championship Department, along with the appropriate Recording Fee for each dog entered in each licensed event. Per dog recording fees are announced and included in the club's annual event supply packet. Reports must be submitted to UKC within ten (10) days of the event or a penalty charge of \$20 will be made. An additional charge of \$20 per month will be made for reports that are thirty

(30) days past due. This will be rigidly enforced.

The club will be responsible for following the above rules. Failure to do so will result in the loss of approval of future licensed events and winning placements may be affected.

THE LOCAL CLUB MANAGEMENT HAS THE RIGHT TO REFUSE ENTRY TO ANY DOG OR HANDLER. HOWEVER, NO HANDLER SHALL BE BARRED ON BASIS OF RELIGION, RACE, COLOR, NATIONAL ORIGIN, AGE OR SEX.

ANY PERSON CAUGHT ADMINISTERING UNPRESCRIBED DRUGS TO ANY DOG WILL BE BARRED FROM REGISTERING DOGS AND PARTICIPATING IN UKC EVENTS.

ABSOLUTELY NO ALCOHOLIC BEVERAGES OR UNPRESCRIBED DRUGS WILL BE ALLOWED ON THE GROUNDS OR WHILE PARTICIPATING IN THE HUNT OR IN THE BUILDINGS THE DAY OF A UKC LICENSED EVENT.

PARTICIPANTS 13 YEARS OF AGE AND UNDER HANDLING A DOG IN THE HUNT MUST BE ACCOMPANIED BY AN ADULT OTHER THAN CAST MEMBERS THEY DRAW OUT WITH.

HUNTING BEAGLE CHAMPIONS, GRAND HUNTING BEAGLE CHAMPIONS

Each hunt must have a Champion and Grand Champion cast. Hunting Beagle Champion and Grand Champion casts may utilize a separate hunt entry deadline. In order to receive credit, a Hunting Beagle Champion or Grand Champion must have a total score of plus points and hunt the entire hunt. This is to apply even if only one Champion or Grand Champion is present to be entered in these casts. A non-hunting judge must be assigned to any one-dog cast. A Hunting Beagle Champion or Grand Champion cannot hunt in open competition. They must hunt in own class, not lower. NOTE: If five dogs in Champion or Grand Champion hunt, divide into a three- and a two-dog casts.

Dogs entered in UKC Beagle Hunts may not be muzzled.

SCRATCHED FOR FIGHTING POLICY

UKC will notify the registrants of dogs "Scratched for Fighting" after the dog has been Scratched for Fighting twice within a two (2) year period. The third time a dog is Scratched for Fighting within two (2) years, the dog is barred from participating in UKC events for two (2) years.

When three (3) reports - Bench Show or Hunt - have been received by UKC indicating a dog has been "Scratched for Fighting" or attempting to fight within a two (2) year period: The reports will be checked to see if they have been properly certified by (1) Judge of the cast, (2) the Master of Hounds/Hunt Director or Bench Show Judge and (3) two different officers of the club. If the reports are properly signed-off, the registrant of the dog will be sent a certified letter advising them of the dates and the names of the clubs that have reported their dog "Scratched for Fighting." The name of the dog, the registrant's name, address and the time barred for fighting will be published in *American Beagler* magazine. They will be requested to return their UKC Registration Certificate and UKC Easy Entry™ Card by a specific date (approximately 30 days). The Registration Certificate will be stamped **BARRED FOR FIGHTING UNTIL _____**. It will then be sent back to the registrant. The UKC Easy Entry™ Card will be retained by UKC. The dog will be barred for two (2) years from the date of the third "Scratched for Fighting" offense. At the end of two (2) year period, the registrant of the dog can return the Registration Certificate, along with the proper fee, to the UKC Registration Office for the issuance of a new Registration Certificate and UKC Easy Entry™ Card. All reference to fighting will be removed, and the dog will once again be allowed to enter UKC licensed events.

If the registrant of the dog does not send in the UKC Registration Certificate and UKC Easy Entry™ Card by the deadline indicated in the notification letter, the following actions will be taken.

1. Transfer of registration will not be allowed.
2. The dog will not be allowed to be used in a breeding program. No litters will be registered where the dog is the sire or dam.
3. The dog will be barred from receiving any UKC Championship Points.

If the UKC Registration Certificate and UKC Easy Entry™ Card is returned after the notification deadline they will be reviewed on an individual basis as to what actions will be taken.

Dogs already reported as "Scratched for Fighting" will still retain their records.

United Kennel Club has the right to inspect all reports, scorecards and documents of UKC events and to review those documents for any reason. Some, but not all, of the items reviewed are: A) scores; B) dogs scratched for fighting; C) errors by the recording person; and D) documentation excluded for any reason. UKC reserves the right to correct any mistakes found.

Even though the report or other documentation

might not have the signatures of a Judge of a cast or the Master of Hounds/Hunt Director, UKC reserves the right unto itself to make the necessary corrections and adjustments in line with our Inherent Rights and Powers.

REQUIREMENTS FOR NEW CLUBS

Please read the following outline of requirements carefully. If you have any questions, please contact Field Operations.

The club name submitted to United Kennel Club will be considered your club's official name and will be utilized by UKC unless otherwise notified by your club in writing and signed by at least three officers of the club. We should be informed immediately of the specific location where licensed events will be held, along with the names, complete addresses and telephone numbers of new officers, and particularly the corresponding officer following each election.

1. Additional club requirements:

- a. UKC recommends a membership that includes enough active members to properly conduct an event without relying on outside help.
- b. Constitution and bylaws must be submitted (sample copy available upon request.)
- c. In addition to UKC rules and policies, clubs must ensure that all Federal, state and local laws must be followed. It is the club's responsibility to be aware of all applicable laws and regulations, and a statement to this effect must be included in the club Constitution and By-Laws.

Sample: All licensed events sponsored by the club will be run in accordance with the rules and policies set forth by the organization for which the license has been issued. The club shall also be aware of any and all Federal, state and local laws and are responsible to ensure that applicable laws and regulations are followed.

- d. The club must provide a complete membership list of all the active members.

2. Rules concerning dates for UKC licensed events:

- a. Notify Field Operations at least five months in advance of dates you prefer. A new club will be allowed three event dates. Provided those events meet expectations a maximum of seven dates may be allowed.
- b. UKC will mail a confirmation form, confirming your club's dates approximately four months prior to the event, to your club's corresponding officer. It must be completed and returned by the date indicated on the form. Incomplete forms, late forms or failure to include proper fees will result in no license being granted. Be

sure the form is complete, and on time. Otherwise, the event may not be scheduled.

3. Suggestions for successful events:

- a. Practice or "buddy" hunts should be conducted to familiarize members with the UKC Honor Rules.
- b. Contact your state corporation office in order to make the club a non-profit corporation.
- c. It is suggested that you purchase a liability insurance policy before conducting events.

- e. Appoint separate committees for all aspects of your event. Committees for the hunt, bench show, kitchen, membership, trophies or any other club activity will spread the workload around and ensure success.
- f. Do not accept late entries! Doing so will void the entry at your UKC licensed event, and the club will be subject to be approved for any further licensed events.
- g. Read *American Beagler* magazines or check the UKC website for updates on UKC rules and policies.
- h. Contact Field Operations with any questions pertaining to your club or its events.

Any advertising your club wishes to do in a publication is optional and does not cover the requirements for obtaining a license in accordance with UKC policy.

BENCH SHOW INFORMATION

Revised January 1, 2019

Entry Requirements

All registrants or handlers wishing to enter a Beagle Bench Show must meet one of the following requirements in addition to meeting proof-of-registration requirements.

1. The dog must have 50 championship points from the hunt portion of a previous UKC Licensed Hunting Beagle Event.
2. The dog must have been entered in, and completed the designated first round cast time in an Elimination Event in the hunt portion of the UKC Licensed Hunting Beagle Event the day of the show or be scratched by the Judge. Dogs withdrawn by handler or scratched in accordance with rule 6 (b) or any action deemed to be an intentional scratch are not eligible to be shown that day.

It will be the club's responsibility, as part of their entry procedure, to see that the above requirements are met. Championship points receipts may be required by the club as proof before entry is accepted.

Bench Show Rules

1. A UKC Licensed Beagle Bench Show is a distinctive gathering of UKC registered Beagles and their registrants for the purpose of determining the winners and making an official record of such winnings. Only UKC registered dogs compete in a UKC Licensed Beagle Bench Show. Non-registered dogs cannot be entered in a UKC Licensed Beagle Bench Show.

2. UKC licensed shows **MUST** appear in the "Upcoming UKC Licensed Events" listing on the UKC website in order for the event to be approved and Championship points awarded.

3. The local club management has the right to refuse entry to any dog or handler. However, no handler shall be barred on basis of religion, race, color, national origin, age or sex.

4. No Bench Show entries are to be taken after the advertised deadline for any reason. The show shall start as soon as possible after the advertised deadline.

5. The permanent registration certificate or Easy Entry™ Card must be presented to the entry taker(s) to enter a dog in a UKC Licensed Beagle Bench Show. Otherwise the entry may be accepted as Conditional. These rules are to be strictly followed. Clubs found to be accepting Bench Show entries without the approved items required could lose the right to hold UKC licensed events. See "Entering Dogs in UKC Licensed Events" in this rulebook.

6. Only one UKC Licensed Bench Show Judge shall judge a UKC Licensed Beagle Bench Show. A panel of Judges cannot be used. The Judge will follow the rules and regulations covering the show and sign the official UKC report for show winners and award Championship points. Judges shall be familiar with UKC Beagle Bench Show procedures (listed elsewhere). The Judge must sign the report immediately following the show.

7. The Judge's decision is final. Any exhibitor entering dogs in any show is, in effect, asking the Judge for their personal opinion and decision. Any exhibitor may question the Judge concerning their decision at the time the decision is made, after the completion of the class in which the exhibitor's dog is entered. Such questions shall be presented in a sportsmanlike manner. It is suggested that the Judges give oral comments after selection of Best Male/Best Female winners and above.

8. If a dog is shown in the wrong class, no Championship points will be awarded. It is the responsibility of the registrant to see that their dog has been entered and shown in the correct class. Dogs must compete in each class as they advance unless scratched by the Bench Show Judge. The

handler may not withdraw the dog at any point throughout the show, except for health reasons. Dogs withdrawn for health reasons will be subject to verification by a licensed veterinarian.

9. Notice - Dogs which fulfill the requirements for a Grand Champion may be entered in the next level of competition even though they have not been officially notified of their new title by the United Kennel Club.

Warning! - This is contingent on the condition that the records kept by the dog's registrant are in accordance with those kept by UKC.

Neither UKC nor the host club are responsible for any mistakes made by the registrants of these dogs concerning the dog's degree.

If it is found that the registrant's records were in error, and the dog had not fulfilled the requirements for Championship title, all points attained by that dog in the higher level will be considered void.

10. The Judge shall have the right to disqualify any registrant or handler for misconduct, or any dog for growling, snapping or fighting. If a dog is disqualified for growling, snapping and fighting, it must be reported and sent along with the Bench Show report to UKC. Read detailed policy "Disqualified for Fighting - UKC Beagle Bench Show Policy," elsewhere in the rulebook.

11. Any person intimidating, threatening or injuring a Bench Show participant, Judge, club officer or UKC representative, will be barred for one year up to life from any UKC licensed event. Details on this particular rule can be found elsewhere in the rulebook.

12. Any person caught administering unprescribed drugs to any dog will be barred for life from registering dogs and participating in UKC events.

13. Absolutely no alcoholic beverages, unprescribed drugs or firearms will be allowed on the grounds or while participating in the show or in the buildings during the hours of the event.

14. Spectators and/or handlers must remain away from the show ring at all times and dogs must be kept away from the show ring until that dog is called for showing.

15. It is the responsibility of the registrant or handler to listen to the secretary or ring steward of the show so that they will be ready to enter their dog in the correct class. If a dog is not shown due to neglect of the registrant or handler, there is no way to enter that particular dog in that show.

16. Registrants, handlers and spectators may not interfere with the Judge in any way during the judging of a show.

17. A Judge has the right to request that a handler or spectator be removed from the show site for unsportsmanlike behavior.

18. Handlers are responsible for their conduct and personal appearance.

19. Dogs must be benched. The bench on which the dogs shall be shown must be two (2) feet high and eighteen (18) inches wide with the top covered with indoor/outdoor carpeting or some similar non-slip surface. (Dogs stand well on rough material while they tend to "cow down" on a slippery or smooth surface). Individual benches of a minimum length of 44 inches are recommended. If the benches do not meet these standards, the Judge shall still allow the show to be held, but should instruct the club to correct the problem and notify UKC that the benches do not meet the standards.

20. A Bench Show report shall be filled out and signed by the Bench Show Judge. The report must then be mailed to UKC immediately after the event. A copy of that report shall be retained by the club for one year. The host club and Judge are responsible for the report being accurate, neat and properly filled out, showing the complete names of the dogs, correct UKC registration numbers, and owner information. The United Kennel Club accepts the report of each show as an accurate and true report of the Bench Show.

21. The club sponsoring the show will forward with the report along with the per-dog UKC event recording fees associated with the licensed event. Reports must be submitted to UKC within ten days of the event or a penalty fee of \$20 will be charged. An additional charge of \$20 per month will be made for reports that are 30 days past due.

22. Dogs shall not be judged on handlers showmanship.

23. No grooming devices (such as combs, brushes, cleaning cloths) are to be used while dog is on the bench.

24. Baiting of dogs is not allowed in show rings.

25. Working dogs are not to be penalized for scars or injuries caused by hunting.

26. Female dogs in season shall not be shown.

27. Dogs will be disqualified if male is castrated or female is spayed.

28. A male is disqualified if monorchid or cryptorchid (lacking two normal descended testicles in the scrotum.)

29. A dog is disqualified if it is deaf or blind.

30. A dog is disqualified if overshot or undershot.

31. Dogs will be evaluated both while gaited and shown on the bench.

AUTHORITY AND RESPONSIBILITIES OF THE BENCH SHOW JUDGE

AUTHORITY:

The UKC Hunting Beagle Program not only encourages dogs to be hunted in our UKC events, it is required that they hunt in order to show, at least until they acquire championship hunt points. Bench Show Judges should pay particular attention not to penalize a dog that has been hunted. A Hunting Beagle shown on the bench should be in field ready condition and have the strength and endurance to compete according to the Hunting Beagle rules.

1. The Judge is in charge of the show, and their decisions are final.

2. Judge may disqualify any dog for unsportsmanlike actions by the handler.

3. Judge has the right to withhold giving an award and/or UKC Championship points if, in their opinion, the dog fails to meet the UKC Official Breed Standard.

4. A Judge may not be called upon to fault any dog after the show is over and winners are announced. They have the right to refuse.

5. Judge has the right to split or divide classes when considered necessary.

RESPONSIBILITIES:

1. The Judge must be UKC licensed for the year in which they are judging and should have their current Judge's card with them at the time of the show. No Championship points will be awarded otherwise.

2. Neither UKC Judges nor apprentice Judges are to enter their dogs in any UKC Licensed Beagle Bench Show that they are judging in whole or in part. Their dogs cannot be entered by a handler. Nor can any member of a Judge's or apprentice Judge's immediate family show under that Judge. Immediate family is considered spouse, father, mother, brother, sister, son or daughter. Dogs housed (even though not owned) by an immediate family member shall not be entered.

3. A UKC Judge is responsible for his/her own conduct and appearance, which should always be becoming to a Judge.

4. Newly approved Judges may not have an apprentice serve under them until they have judged at least three shows.

5. No more than one apprentice can serve under a Judge at a show.

6. UKC Judges are to keep up-to-date on any changes in the standards.

7. A Judge must see that all handlers walk or gait dogs. Dogs must be gaited for Judge to determine to what degree each dog conforms to breed standard. Dogs must be evaluated equally when gaited and shown on the bench.

8. A Judge shall have handler open dog's mouth for Judge to check dog's bite (for dog's health reasons).
9. A Judge must physically check all dogs' bone structure and conformation.
10. A Judge will remove from the bench any female dog in season.
11. A Judge shall give equal time in examining each dog they are judging. Every dog warrants a Judge's complete inspection.
12. A Judge shall not ask individual handling dog: (1) who owns dog; (2) who dog was purchased from; or (3) what line the dog is out of while judging the dog.
13. A Judge shall not remove an "off" standard dog from the bench. The Judge will consider the "off" standard dog when making their ultimate decision, unless it is a disqualifying fault. In that case, the dog is not to be considered for judging. If a Judge determines a dog to have a disqualifying fault, they must submit to UKC the dog's name, UKC number and description of the fault along with the show report.
14. A judge shall not carry on conversations with spectators while show is in progress. Judge is not to be influenced by any person or that person's actions.
15. A Judge must accurately report his/her decisions to the recording secretary.
16. A Judge must complete and sign the Official Show Report Forms for Championship points immediately following the show.
17. A Judge must never sign blank show report forms or receipts.
18. UKC has the right to suspend or revoke any Judge's license.

BENCH SHOW PROCEDURES

(A Guideline for Judges)

To standardize the procedures of a Bench Show, and to avoid inconsistencies and errors, the following procedure has been provided.

When the Bench Show Judge arrives at the club grounds, they should remind each person taking entries for the show, of the requirements for accepting entries. See "Entering Dogs in UKC Licensed Events," in this rulebook.

No entries shall be taken after the published closing time. There are no exceptions. The points will not be honored if either of these rules are violated.

You, as the Judge, are responsible for the rules being enforced and the correct information being sent to the United Kennel Club.

The following procedure and sequence of judging UKC Licensed Beagle Bench Shows must be followed at all events.

1. a. Judge Male Puppy Class (six months of age and under one year)

- b. Judge Male Junior Class (one year and under two years)
 - c. Judge Male Senior Class (two years and under three years)
 - d. Judge Male Veteran Class (three years and older)
 - e. Call the winner of each class back for judging. The winner of this judging is awarded Best Male.
 2. a. Judge Female Puppy Class (six months of age and under one year)
 - b. Judge Female Junior Class (one year and under two years)

 3. Call the winners of Best Male and Best Female back for judging. The winner of this judging will be awarded Best of Winners.
 4. Champion Class is next to be held. Male and Female Champions are shown together. The winner is awarded a win in the Champion Class.
 5. The Grand Champion Class is the next class to be held. In the Grand Champion Class, males and females are judged together. This is an honorary class and no UKC points will be awarded.
- The show is not to be interrupted for any activity, unless it is a large show and the Judge requests a rest break.

DISQUALIFICATION

If a Judge determines a dog to have a Disqualification, as listed in the official breed standard, that dog must not be considered for placement in a bench show/conformation event, and the judge must submit to UKC the dog's name, UKC number and description of the Disqualification along with the show report.

HANDLERS AND SPECTATORS

Spectators and/or handlers must remain away from the show ring at all times and dogs must be kept away from the show ring until they are called for showing.

It is the responsibility the handler to listen to the secretary or ring steward of the show so that they will know what classes are being called. It is the responsibility of the handler that the dog is shown in the correct class. If a dog is not shown in the correct class championship points will not be awarded to that dog.

Registrants, handlers and spectators may not interfere with the Judge in any way during the judging of a show.

A Judge may disqualify any dog for fighting or attempting to bite another dog or person. The Judge may disqualify an exhibitor for any unsportsmanlike action.

A Judge has the right to request that a handler or spectator be removed from the show site for unsportsmanlike behavior.

HUNT INFORMATION

Revised January 1, 2019

Appeal Procedure for Situations Happening During a UKC® Licensed Beagle Hunt

This procedure applies for all situations arising during the time that the Judge's authority is in effect. Authority of the Judge begins when he is officially designated and receives the scorecard. The authority of the Judge ceases when the scorecard is turned in to the Master of Hounds. The Full Circle column appearing in *American Beagler* provides official interpretations of UKC Rules and Policies.

This Appeal Procedure does NOT apply to situations arising under rules that deal with intimidating, threatening or injuring a Hunter, Judge, Master of Hounds, Club Official or a UKC Representative.

The following steps must be followed:

STEP 1. Attempt to resolve the question with the licensed Master of Hounds, the handler raising the question, the Judge of the cast and the other members of the cast that are available. The Master of Hounds will make a decision based upon the statement of the case provided by the handler, Judge and the other members of the cast. No complaints will be considered by the Master of Hounds after a period of thirty (30) minutes has elapsed from the time that the scorecard has been turned in.

STEP 2. If the question is not resolved at Step 1, request that a Panel be formed. A Panel Fee of \$10 must accompany your request. The MOH/HD will then assemble a panel of three responsible, impartial individuals who are familiar with UKC policies and procedures. (This is the first step taken when using the Hunt Director Format.) If Panel rules with handler, fee will be refunded; if they disagree, the Panel fee will be retained by the Host Club. The Panel meeting must be held within one (1) hour after the deadline for the return of scorecards.

STEP 3. The Panel will hear all sides. At the conclusion of all testimony the Panel will make a ruling.

The Event Report shall reflect the Panel's decision.

STEP 4. If the question is not resolved at Step 3 a handler must immediately request a UKC Appeal Form while the Panel is still assembled. The form must be filled out by the handlers on the cast, the members of the Panel and the MOH/HD. A fee of \$20 must accompany the appeal when sent to UKC. The Appeal Form must be included with the Event Report mailed to UKC.

STEP 5. UKC will investigate the matter and make a final ruling. If the previous steps were not followed the appeal may not be considered. If the UKC supports the individual filing the appeal, the fee will be refunded. A written statement reflecting the final ruling will be mailed to those involved. The UKC reserves unto itself, in its sole judgment and discretion, the right to make corrections it deems necessary.

Panel Responsibilities

A panel of qualified event participants needs to be formed in two situations. 1) in the event a handler is not satisfied with the MOH ruling in a MOH Format event and; 2) when a question is placed on the card in a HD Format event. Complaint panels should consist of three individuals who are current on all rules and policies. They may or may not be club members with primary concern going towards finding individuals that are knowledgeable, honest and impartial. A panel must be formed of individuals that can remain totally objective in concerns to cast members and dogs on the cast in question. Individuals who have a dog in contention to place in the event should not be used on a panel. The panel will hear all viewpoints of cast members and come to a consensus decision regarding the final scoring of the cast. Should a panel's decision support the complainant, the \$10 will be refunded.

NON-HUNTING AND HUNTING JUDGES CLARIFICATION

When non-hunting judges are used within a category they should be drawn to each scorecard in the same manner as noted under Drawing Casts. Clubs have the option to use non-hunting judges for any or all categories. One or the other must be used on all casts within a given division.

Non-Hunting Judges

1. The Non-Hunting Judge has complete authority and is responsible for making all decisions.
2. The decision of the Non-Hunting Judge may be questioned in the field at the time the decision is made, or a call that is not being made. It will be scored with a question mark (?) and taken to the

Master of Hounds/Hunt Director Panel after the hunt is over, unless it involves a dog being scratched from the hunt. The Non-Hunting Judge's decision cannot be overturned in the field by a majority vote of cast members. If a question has not been satisfactorily resolved by the decision of the Master of Hounds a Panel may be formed for a \$10 fee (this is the first step when utilizing the HD Format). If a handler is still not satisfied the Appeal procedure must be followed. All Appeals must be filed immediately after the Panel has ruled and must be accompanied by a \$20 fee.

Hunting Judges

The following procedure must be followed when using Hunting Judges:

1. The host club must designate a Hunting Judge for each cast from the entries received (see procedure for selecting hunting judges under MOH/HD Guidelines (Drawing Casts)).
2. The Hunting Judge has complete authority and is responsible for scoring all situations.
3. Any cast members, though scratched, retain all voting privileges.
4. If only one dog remains in the hunt, other cast members are encouraged to stay with cast. If a Hunting Judge scratches their dog, they are encouraged to stay with the cast and continue to judge the duration of the hunt as designated by the club. However, they may designate another qualified member of the cast to complete the hunt as Hunting Judge, if needed. If only one cast member remains, handler must return to Master of Hounds/Hunt Director for a Non-Hunting Judge to complete cast. Deadline may be extended, if necessary, for this cast only.
5. Should a situation arise where a handler questions a call that was made, or a call that should have been made but wasn't, that handler may ask to have his question voted on by all cast members that remain with the cast at that time.
6. Majority of cast rules. Each handler must vote or their dog will be scratched. If majority decision is not reached, the call stands as it was scored by the Judge. Any handler that is not satisfied with the majority of cast decision retains the right to place a question mark (?) on the card and present his question to the MOH/HD Panel.
7. If the matter has not been satisfactorily resolved by the decision of the Master of Hounds a Panel may be formed for a \$10 fee (this is the first step when utilizing the HD Format). If a handler is still not satisfied the Appeal procedure must be followed. All

Appeals must be filed immediately after the Panel has ruled and must be accompanied by a \$20 fee.

Dogs entered in UKC Hunts may not be muzzled.

OFFICIAL UKC® HUNTING BEAGLE HONOR RULES

Effective January 1, 2019

1. POINT SYSTEM:

- a. One set of strike points. 100 points for dog that opens and is declared struck first, 75 points second, 50 points third, 25 points fourth. If a dog is turned back in on a track, he gets next available position. If all positions are taken, he gets 25 points.
- b. After rabbit has been completely circled and seen by a cast member or non-hunting Judge, first dog to trail through the line to receive 100 points, 85 second, 70 third, 55 fourth.
- c. All dogs struck are to be minused 20 points at each check. First dog to recover the check to be awarded 20+ points. No additional points for second, third or fourth dog. A check is defined as a temporary loss, where none of the declared struck dogs open for a period of one minute. Start time immediately after last bark.
- d. Points, including recovery points, may be split in cases where positions cannot be determined.

2. PLUS POINTS:

- a. When Non-Hunting Judge, or majority of cast if Hunting Judge is used, are present as Judge scores dogs on speed and drive at point where rabbit was seen by a Judge or cast member after **completion of circle**.
- b. On strike for all dogs, provided dog was struck in on majority of the track (circle), after any one dog is awarded speed and drive points.
- c. If dog(s) catch rabbit, dogs receive Strike and Check points only.
- d. On Strike, when rabbit is jumped and seen by non-hunting judge or majority of cast if hunting Judge is used, but goes to a hole or place of refuge before completion of circle. Cast must make an attempt to locate hole. Non-hunting judge's decision, or majority of cast when hunting judge is used.
- e. On strike, if dogs are trailing a rabbit that has been seen by the majority of cast or the non-hunting judge when time runs out.

3. MINUS POINTS:

- a. If reasonable forward progress is not made within any three-minute period. Reasonable forward progress is defined as a track that is runnable by the majority of the pack or when it is obvious to the majority of the cast members that a dog or dogs

have recovered the track to a runnable state.

- b. When it is visually evident by the majority of the cast or a non-hunting judge that dog(s) quits a trail that is being worked, he will be minused. Or, if none of the declared struck dogs open for a period of three minutes, the track will be considered lost and minused. However, if dog(s) goes back on the track, he will get the next available position. Once a position has been minused, it becomes available again. However, a dog cannot be "struck in" over a dog's position that is being held. If all positions are taken, dog will receive 25 points for going back, but these points will be minused every time he comes out. Dog is not to be tied or encouraged to go back.
- c. Each dog declared struck to be minused 20 points at each "check". If after check loss occurs without a recovery, delete those check points and score in accordance with 3(d).
- d. When majority of dogs are struck in on a track, and all dogs on a particular track are minused simultaneously in accordance with rule 3(a) or 3(b), draw a line through the original strike points and minus each dog 50 points. Otherwise, dogs are held accountable for their called strike position (Exception: Rule 3(h)).
- e. When handler strikes another handler's dog, they are to receive the called position minus. After minus, position becomes available. For second offense see rule 5(o).
- f. After the first three minutes of hunt, dog must be declared struck on or before the third bark. Dog not declared struck on or before third bark will receive the available strike position minused, then awarded that same strike position. For second offense see Rule 5(n).
- g. After the first three minutes of the hunt, any dog(s) failing to hunt for any continuous three-minute period will receive 100 minus points. Dog(s) are not to be moved or encouraged to hunt while on the clock. See Rule 5(b) for dog(s) failing to hunt for any continuous five-minute period.
- h. Dog(s) leaving their track to join a split track, will receive 50 minus points and any unscored strike position shall be deleted. This applies only for dog(s) leaving their track to join another split track.

4. CIRCLED POINTS:

Circle points will count neither for, nor against, dog except when ties are to be broken.

- a. In case of running into a hole or place of refuge, a rabbit that has not been seen by the majority of cast or the non-hunting judge's (cast must make an attempt to locate hole, majority of cast or non-hunting judge's decision).

- b. If dog(s) are trailing when hunt time expires.
- c. If Judge has to call time out because of nearness to livestock, building, highway, etc.

5. SCRATCHING OFFENSES:

I. Dog Related Offense:

- a. Fighting or attempting to fight during the authority of the Judge. Dog's name, UKC registration number, and registrant's name will be reported to UKC on the Official Hunt Report form. No handler will be allowed to scratch their dog to avoid being scratched for fighting. When the aggressive dog is known, scratch the aggressor only. If not known, scratch dogs involved. (Attempting to fight is defined as follows: when dog(s) are interfering with other dog(s) during the authority of the Judge by aggressive behavior.)
- b. After the first three minutes of the hunt, for failing to make any attempt to hunt within any continuous five minutes of the hunt. Cast will not move with dog(s) on clock.

- e. If dog is continuously silent on trail.
- f. For delaying completion of cast for 30 minutes after time out is called in accordance with Rule 6.
- g. For running game other than rabbit, even if time is out. Off game does not have to be seen. h . After the first three minutes of the hunt, any dog that leaves the handler two times babbling. Babbling is defined as when a dog opens three times, or has been struck, where no track is evident.
- i. For backtracking on second offense.
- j. On second offense, for "rough-running," "cutting," or "slashing" on track. This rule to be rigidly enforced.
- k. On second offense, when dog(s) quits a trail that is being worked, provided remaining dog(s) circles and scores its rabbit.
- l. If dog accumulates 300 minus points regardless of how many plus points the dog has.
- m. If dog fails to pack (shall only apply at the point it has become disruptive and detrimental to the hunt).

II. Handler Related Offense:

- n. On second offense; if handler fails to declare dog struck on or before the third bark. This rule is to be rigidly enforced.
- o. On second offense, if handler calls another handler's dog.
- p. If handler hollers at or physically abuses the dog.

- q. If handler handles dog without judge's permission.
- r. If a handler is drinking or seems to want to stir up trouble.
- s. Hunting over or under designated hunting time.

6. TIME OUTS:

Judge, or majority of cast if hunting Judge is used, may call time out and circle any un-scored strike points in accordance with the following:

- a. When dogs are getting on road, trail onto posted land or trail into a place where there is danger to dogs or hunters.
- b. When other hunters get too close. If dogs get with another group of dogs.
- c. If new ground must be found to finish cast (no dog(s) to be called off trail without awarding minus points).
- d. In case of accident or sickness.
- e. If cast becomes lost.
- f. When dog(s) are trailing and out of hearing distance in different directions.
- g. If judge instructs all dogs to be leashed simultaneously.

7. TIES:

- a. All ties to be broken for UKC points. Dog will win out over other dog; dog that has the least number of minus points; if still a tie, dog that has the most plus strike points; if still a tie, dog that has the most plus speed/drive points; if still a tie, dog that has the most recovery points; if still a tie, dog that has the most circled strike points; if still a tie, dog that has the most deleted strike points; if still a tie; dogs involved only will hunt in one 15-minute overtime. Overtime scoring to determine tie breaker only and does not change original score. Cast shall not return to club until overtime hunt is completed. Return deadline to be extended 15 minutes for any cast hunting overtime. If still a tie; flip a coin to determine cast winner.

8. WINNERS:

After any given round and only one dog is eligible to advance, a subsequent round or Winners Pack is not required. That dog shall be considered the winner of the category. No Championship points will be awarded to any dog that withdraws or is intentionally scratched from a Winners Pack. No Exceptions! No dogs shall be eligible to move up in placement in a Winners Pack if it is deemed that a dog was withdrawn or scratched to improve the placement of another dog in the cast (Judge's decision).

- a. The top four Registered cast winners with plus points will advance to the Winner's Pack. Dog must be present when Winner's Pack is assembled. See

rulebook for procedures and placing dogs in an elimination style hunt.

- b. The Registered Winner's Pack will hunt for 60 or 90 minutes as designated and posted by the club prior to entry deadline. The cast shall be judged by one or two non-hunting Judges.
- c. A total of ten Registered places will be awarded for championship points. First through tenth places to be determined; first, by order of finish in the Winners Pack followed by next highest scoring cast winners. Championship points are awarded only to cast winners with a total score of plus points. No Winners Pack for champion and grand champion categories except in elimination style hunts. See rulebook for procedure to place dogs in an elimination style hunt.

9. GENERAL INFORMATION:

All casts must hunt the complete hunting time designated for cast. Hunt time is indicated on scorecard. Casts to be run on rabbit that is native to the immediate area. All points accumulated on non-native rabbits will be deleted. This rule is to be rigidly enforced. No hunting in enclosures unless all dogs in the category, or all dogs remaining in category, are being hunted in an enclosure.

- a. **Search and Jump:** Dogs to be freely cast and walked in the general direction of the hunt. Dogs to be declared struck and recorded according to their called positions upon opening. Dog must have been heard opening immediately prior to a strike call. Otherwise, call shall not be accepted. Judge will instruct handlers to call in dog(s) when necessary to keep cast hunting together. Dog(s), not handlers or Judges, to search for and jump rabbit. In case of handlers inadvertently jumping rabbit, hounds may be released on track for split strike points. It is a majority of cast decision to split points if the rabbit is seen by the majority of cast. If the rabbit is not seen by the majority of the cast, it must be a unanimous decision to split points. Cast may not agree to put dogs on a rabbit already ran.
- b. **Rough Running, Cutting, or Slashing:** Dogs to pursue rabbit as fast as scenting conditions allow, but must exhibit good line control. Dog(s) observed to be "running rough," "cutting," or "slashing" on track will be scratched on second offense. Rough Running is defined as attempting to run the front of the pack faster than scenting conditions allow or without regard for the actual line. Routinely overshooting turns leading pack mates astray. Cutting is defined as attempting to run the front by leaving the trail to head off pack mates or avoiding heavy cover and other obstacles. Slashing is defined as running in a hit or miss fashion as a result of gam-

bling and without regard for the actual line.

- c. **Speed and Drive:** Judge to score dogs on speed and drive as rabbit is circled and seen by a cast member. At time rabbit is seen, Judge, or majority of cast if Hunting Judge is used, must decide whether to allow dog(s) to continue on trail or pick up dog(s) in order to find new ground or another rabbit. Speed and drive points are awarded in order that dogs pass through the line, splitting points when positions cannot be determined. It must be obvious that a dog is NOT trailing in order to deny the dog Speed and Drive points. After first dog has been scored on Speed and Drive, there is a one-minute time limit to score remaining dogs on that line. Dog(s) must be opening on the majority of circle being scored in order to be scored. If allowed to continue on trail, score initial strike points and each time rabbit is circled and seen, score speed and drive only. Speed and drive may be scored three (3) times only on the same rabbit. If loss occurs before completion of any additional circle, each dog declared struck to be scored 50 minus points in the Losses/Recoveries column. No dog(s) to be called off a trail without awarding minused points.
- d. **Split Tracks:** In case of split tracks, score speed and drive on first track one time and recover dog(s) so they may be turned in to dog(s) running split track. However, if rabbit on split track is seen while attempting to score the first track, it may be scored one time and then dog(s) must be handled and turned in on the split track. Dog(s) turned in on split track must be declared struck by the handler in accordance with Rule 3(f) and will receive next available position. If all positions are taken, dog(s) get 25 points.
- e. **Losses with Recoveries:** At point where dogs lose trail and become quiet, Judge to start clock on dogs. After one minute has elapsed without any dog opening, all struck dogs to be considered at a loss (check) and minused 20 points. In case of split tracks, times to be kept separately for checks on each track. The first dog to open honestly resulting in reasonable forward progress to be awarded 20+ points for recovering the loss. Additional dogs opening after first dog, to receive no "recovery" points.
- f. **Electronic Devices:**
 - 1. The handheld of locating only devices may be carried by the handler. Device may be used during the hunt but only under those strict provisions as outlined in current Locating Device Rules. Locating Device Rules are provided in the host clubs Event Packet and are also available on UKC's website.

2. Controlling Devices: Any handheld device capable of controlling a dog in the cast must be left in vehicle and may not be used by handler or spectators until dog wearing device is scratched and all other dogs are recovered for re-casting. Device may be carried and used if collar is not capable of controlling dog (stimulating or toning). Reported controlling device infractions will be subject to disciplinary action by United Kennel Club.

g. Scorecards: Scorecards must be finished in the field and signed by each handler or his/her dog will be scratched and no changes to be made later, except where a question arises and is noted in the field. Handler's signature verifies hunting time and scores are correct. A scorecard may be signed still with the right of protest. Changes can only be made by the Master of Hounds/Hunt Director Panel.

10. JUDGES, HANDLERS & SPECTATORS:

- a. They must be honest and capable of scoring all situations. Scorecard to be carried by Judge and situations must be scored in plain view of all handlers. Judge will be official time keeper. They will show no favors to any dog or hunter and will inform handlers of score and time, if requested. Judges to keep handlers and spectators at a distance so as not to interfere with dogs. Judge will give permission to call in dog to keep pack hunting in the same vicinity. Judge shall give permission for another handler to complete hunt if original handler is not able to finish hunt. Otherwise, handlers' dog must be picked up. If a hunting judge scratches his dog, they are encouraged to continue judging the cast. Otherwise, they may pass the scorecard to a qualified member of the cast.
- b. A Non-hunting judge must be assigned to any one-dog cast. A Non-Hunting Judge may be assigned to any cast at the discretion of Master of Hounds/Hunt Director and/or club officials.
- c. One handler to each dog. It is the handler's duty to know their dog's voice and nature. Also to advise the Judge of any of the dog's peculiarities before the hunt begins. No encouragement or discouragement of any kind to dogs. They must tell the Judge when the dog opens on strike. Handler is not allowed to call dog in unless instructed by the Judge. Handlers may give no verbal or hand commands to dog without Judge's permission. All handlers must stay with Judge at all times unless given permission by Judge to leave. A handler may have a spectator lead, release or handle (physically) their dog during the hunt. No holes or places of refuge to be disturbed. No rabbits or other game to be killed. It is the handler's responsibility to verify time and score before signing scorecard.

d. In the event only one handler remains in the cast that individual must return to the Master of Hounds/Hunt Director for a Non-Hunting Judge to complete the hunt. The deadline may be extended for this reason only, if necessary.

- e. If a cast member entered the event as an Inactive Handler then he or she shall not be involved with any part of calling or scoring lines. An Inactive Handler may not be involved in any voting procedures related to scoring lines. An Inactive Handler is not included in the equation when it comes to the majority of the cast required to be present when dogs are scored on speed and drive. Example: In a four-dog cast, two out of the three active handlers are considered a majority.
- f. Spectators are allowed on all casts. They may not get involved in any part of scoring throughout the hunt, including calling lines for speed and drive purposes. Handler's dog(s) will be scratched for rule violations by their spectators.

11. QUESTIONS, PANELS, APPEALS, & MISCONDUCT

Questioning a Judge

- a. Non-Hunting Judge Cast: A Non-Hunting Judge may score any situation without cast members being present. The decision of a non-hunting Judge may only be questioned in the field at the time the decision is made. The non-hunting Judge's decision cannot be overturned in the field. It may be scored with a question mark (?) and reviewed by the MOH/Panel. A decision made by a non-hunting Judge may only be overturned by the MOH/Panel.
- b. Hunting Judge Cast: The following procedure must be followed when using Hunting judges on a cast, regardless of category. Situations not questioned and notated at the time Judge's decision is made, will not be considered.
 1. The Hunting Judge has complete authority and will be responsible for scoring all situations.
 2. Should a situation arise where a handler questions a call that was made, or a call that should have been made but wasn't, that handler may ask to have his question voted on by all cast members that remain with the cast at that time.
 3. Each handler must vote, or their dog will be scratched. It takes a majority vote to overturn judge's decision.
 4. Any handler that is not satisfied with the outcome retains the right to place a question mark (?) on the scorecard and present his question to the MOH/Panel. Unless/until, it involves a dog being scratched from the hunt a question shall not be taken to the MOH/Panel until after

the hunt. If there is a question noted on the scorecard all cast members **MUST** return to the MOH/Panel. No questions will be considered by the MOH/Panel after a period of 30 minutes has elapsed from the time the scorecard was received by the MOH/Panel.

Panels

1. In order to form a panel a \$10 Panel Fee must be paid before the question is heard.
 - a. When using a Master of Hounds, a panel may be formed if a handler is not satisfied with the MOH ruling.
 - b. When using a Hunt Director, a panel must be formed to hear any and all questions.

Appeals

1. If the matter has not been satisfactorily resolved by the decision of the panel, an Appeal may be filed.
2. An Appeal Form must be requested and filed immediately following the panel's ruling, while the panel is still assembled.
3. Appeals must be submitted to the MOH/HD with a fee of \$20 and mailed to UKC with the Event Report.
4. All Appeals will be investigated and ruled on by the UKC. An appeal may not be considered if previous procedures were not followed.

Misconduct

Situations involving misconduct do not fall under the appeals procedure. Refer to the Misconduct Section in the Official UKC Hunting Beagle Rulebook for complete procedures and instructions.

Misconduct may include, but is not limited to:

- a. Intimidating, threatening, or injuring another individual.
- b. Falsifying event related documents.
- c. Abuse, neglect or drugging of a dog in conjunction with an event.
- d. Intentionally killing game in conjunction with an event.
- e. Use of any device used to control dog during hunting time.
- f. Relaying any type of electronic messaging with reference to scores, that is deemed detrimental to the hunt.

MASTER OF HOUNDS/HUNT DIRECTOR GUIDELINES

Revised January 1, 2019

Up to two Master of Hounds or Hunt Directors will be appointed by the host club to serve as the Event Official. The official is in charge of the hunt. Multiple individuals serving as Officials will not work together on one category (Registered, HBCH and GRHBCH) nor will they work together when hearing questions. Each will be responsible for their designated category. If the official's dog is eliminated in the registered (morning) portion of the event he may serve as the official for the Registered Winners Pack, HBCH and GRHBCH. If a dog registered to their name is still competing in the event, they may not serve as the official. If an individual is only entering a Hunting Beagle Champion or Grand Hunting Beagle Champion, they may serve as the official for the first round of the Registered category. If club chooses to run all Registered, Champions and Grands at the same time, only one official may be utilized. The Event Official must be at the clubhouse at all times. If a question arises, the Master of Hounds will hear each viewpoint and have last say. A handler may state his case plainly but if unreasonable; his dog may be scratched by Master of Hounds. If a Hunt Director format is being used, then all questions go directly to a panel. If qualified, the Hunt Director may serve on the panel.

UKC Licensed Field Trials must be listed on the UKC website Upcoming Events Listing. The listing for UKC Licensed must indicate a time deadline for closing entries. No entries will be accepted after the listed deadline for any reason. If a Club's event listing does not appear in the Upcoming Events Listing as specified, the UKC Licenses for the event will be withdrawn and no UKC Championship points will be awarded.

Event Format

The club to which the event license is issued has the option of running their event under Master of Hounds or Hunt Director Format unless otherwise restricted by the UKC. The procedures immediately following are relevant to both formats. Procedures and policies relevant specifically to the MOH or HD format will follow.

MOH/HD Checklist

When you arrive at the club:

1. Check to see that the following are posted;
 - a. MOH/HD checklist.
 - b. Entry deadline time.
 - c. Time deadline for returning scorecards.
 - d. Hunt time period for Winners Pack.
 - e. Locating and Controlling Device Rules.

How to Take Entries

Give an entry slip to each participant and have them fill it out clearly and completely. If an individual attempting to enter appears, in your judgment, to be under the influence of alcohol or un-prescribed drugs, do not accept their entry. Notify the appropriate club individual or officer of what you are doing and why. Be sure to follow entry requirements outlined under Entering Dogs in UKC® Licensed Events.

Selecting Judges

Club Officers and the Event Official shall work together in selecting qualified individuals only to serve as judges. Judges shall be selected based on their integrity and knowledge of the running rules and procedures. They must be honest and capable of scoring all situations. The judge must know the proper procedures that are to be followed if a question arises. They should also be willing to judge the cast for the duration of the hunt. When hunting judges are used, the number of judges needed in each category shall be pre-selected from that pool of entries. Individuals entering the event as an Inactive Handler may not be used as Hunting Judge. A Non-hunting judge must be assigned to any one-dog cast. A Non-Hunting Judge may be assigned to any cast at the discretion of Master of Hounds/Hunt Director and/or club officials. Authority of Judge begins when he or she is officially designated and receives the scorecard. The authority of the Judge ceases when the scorecard is turned in to the Master of Hounds/Hunt Director.

Selecting Guides

The Host Club is responsible for selecting qualified guides. In the event available guides are not needed the host club has the final decision on which ones will be used. The guide shall be a responsible individual who has permission to hunt on the property(s) they take their cast. The guide shall be willing to guide the cast for the duration of the hunt.

Separating Entries for Cast Drawing

Start your judge and guide selection process for each category when you begin taking entries. You should have four separate pools of entries for each category as follows:

1. An entry serving as a hunting judge and a guide.
2. An entry serving as a hunting judge.
3. An entry serving as a guide.
4. All remaining entries.

Drawing Casts

Do not start drawing out casts until after entries are closed at the advertised deadline time. The drawing

of entries must be done publicly. Announce that you are ready to start drawing entries so anyone wanting to watch has the opportunity. As a matter of courtesy, draw the Grand Champions first followed by Champions and then the Registered Category. If a state requires a license or permit number, make certain that it appears on each scorecard. The designated hunt time and the deadline time to return scorecards to the Master of Hounds/Hunt Director shall be indicated on all scorecards.

*Multiple Same Owner Entries Policy

It is the responsibility of the Event Official to draw multiple same owner entries to separate casts, if possible. The only time it would not be possible is if there are not enough casts available to separate them.

Note the new Multiple Same Owner Entries policy change, effective January 1, 2019, as follows:

The first registered owner (Sole Signatory) only, will be considered when it comes to drawing multiple owner entries to separate casts. Co-owner (Successors) names will not be considered.

UKC approves any draw system that is fair and impartial such as the following method:

1. Based on the entry determine the number of judges and guides you need for a specific category. Remove and place any pre-selected judge or guide entries not needed into pool 4 (Separating Entries for Cast Drawing).
2. Determine how many three dog casts will be in the category. If any, add that amount of blank entry forms into pool 4. This allows having four entries to be drawn to each scorecard.
3. Draw an entry to each scorecard from pool 1 and 2 until all scorecards have a hunting judge. These entries may be turned up and stuck to the scorecards.
4. For any scorecards still needing a guide, draw a hunting guide from Pool 3. These entries shall be turned face down on the scorecard.
5. Complete your draw using the remaining entries from Pool 4. These entries shall be turned face down on the scorecard.
6. Each scorecard now has four entries on it. Before sticking the entry to the scorecards check for any multiple owner entries, (see multiple owner entries policy above) multiple Inactive Handler entries, and/or more than one blank on the same scorecard.

Master of Hounds/Hunt Director Checklist

Revised January 1, 2019

IT IS MANDATORY THAT THE MOH/HD CHECKLIST BE READ PUBLICLY BEFORE SENDING CASTS TO THE FIELD. The MOH/HD checklist may be updated from time to time to cover certain topics as deemed necessary. The most recent up-to-date checklist is included in the Event Packet. Be sure to post the Telemetry Rules (on the opposite side of the MOH Checklist) after the MOH Checklist has been read publicly.

While Casts are in the Field

The MOH / HD must remain at the hunt headquarters at all times to assist any cast or cast members that got separated on their way to the woods or that returned prior to the expiration of hunt time. No questions, pertaining to scoring during the hunt, may be called in to the MOH/HD. The MOH/HD may not accept any information pertaining to final score via a phone. The scorecard must be returned by the deadline in order for the winning dog to be considered for placement.

After the Scorecards Are Turned In:

1. Recheck each dogs score. MOH/HD has the authority to make changes to mathematical errors. Check to see that handlers signed the scorecard. Any handler that does not sign the scorecard results in that dog being scratched.
2. Any questions must be notated with a question mark (?) on the scorecard.
3. If there is a question noted, get the cast off by themselves to discuss the situation and make your decision. Only individuals directly involved in the dispute should be included in any of the discussions. Wait until the scorecards are returned before discussing a situation that arises in the woods. Members of the cast have thirty (30) minutes to make a complaint after the scorecards are turned in.
4. If a question is not satisfactorily resolved, any owner or handler has the right to request a panel. Refer to the rulebook in the section under; Appeal Procedure for Situations Happening During a UKC® Licensed Event.
5. All scorecards must be kept confidential until deadline or until all scorecards have been returned. This must be rigidly enforced. Scorecards must then be made available for review. Any owner or handler questioning a dog's score must do so not later than thirty minutes after the posted deadline to return scorecards. Scorecards must be retained by the club for a minimum of one year.

Reports

1. Do not sign a blank report. Make sure that the report is completely filled out. Then you sign it. Copies of the report go to UKC, and to the club hosting the event. Submit UKC's copy within 10 days or a penalty of \$20 per month will be made.

General Information

1. Encourage clubs to educate their members on the rules and conduct rules seminars for Judges, Masters of Hounds, Hunt Directors and participants.
2. Study rules on the back of the scorecard. For official interpretation of the rules, policies or changes read the monthly Full Circle column published in American Beagler.
3. Remember to use good judgment. You are the person responsible to see that the hunt is run in a manner that is fair to all and that everyone is treated in a fair and equitable way.

Policies Specific to MOH Format

1. All MOH must be licensed by UKC.
2. A MOH may not have a dog, registered in their name (full or joint ownership), and entered in the event.
3. A MOH will listen to and rule on all questions brought in from the field in accordance with Rule 14.

Policies Specific to HD Format

1. Hunt Directors are not required to be licensed by UKC.
2. A Hunt Director may be the owner of a dog entered in the event. The dog must be hunted by a handler because the HD must remain at the club.
3. A Hunt Director will not rule on questions brought in from the woods. The Hunt Director will be responsible for forming a panel to rule on all questions. If qualified, the HD may serve on a panel.

UKC FIREARM POLICY

Possession of firearms, or other concealed weapons, at UKC licensed events is strictly prohibited. Persons found to have firearms in their possession will be dealt with in accordance with the Inherent Rights and Powers of United Kennel Club. Penalties will include barring individuals found to be in violation. Furthermore, the proper civil authorities will be notified concerning individuals found to be in violation of this policy. Persons knowing of individuals possessing firearms in conjunction with UKC licensed events should contact the Field Operations Department at United Kennel Club

CELL PHONE POLICY

All handlers and spectators are advised of the UKC cell phone policy. Any individual found guilty of any messaging prior to the conclusion of an event, with reference to scores and/or that is deemed to have influenced any cast or handler, are subject to suspension.

REQUIREMENTS AND PROCEDURES FOR LICENSING MASTER OF HOUNDS

All clubs having UKC Licensed Hunting Beagle Hunts should have a UKC Licensed Master of Hounds available to run their hunt, if needed. Although clubs have the option of using the Hunt Director format, using a qualified Master of Hounds generally allows for an all-around better event. Following are the procedures and requirements to be followed for an application to be considered.

1. The applicant must be a member of an approved club and be recommended by officers of the club. It is felt that the club will know the background and qualifications of the applicant through club activities.
2. The applicant's character, honesty and integrity must be above reproach.
3. They must have a thorough knowledge of UKC's rules and policies and have demonstrated good judgment.
4. The applicant must be at least twenty-one (21) years old.
5. They must completely fill out the application and pass the test covering UKC rules and policies, which may be obtained at your local club or from UKC.
6. An applicant, having met the requirements of items one (1) through five (5) above, must serve an apprenticeship under three (3) different UKC Licensed Masters of Hounds and be recommended by them in order to be considered for a license. No more than two (2) apprentices may serve under a Master of Hounds at an event. Apprentices are subject to the same restrictions as the Master of Hounds concerning entering their dogs in the events where they serve. However, all decisions must be made by the licensed Master of Hounds.

ELIMINATION FORMAT EVENTS

Revised January 1, 2019

Drawing Casts

All dogs in Elimination Format will run within their category only, unless noted otherwise for certain events.

Advancing Dogs

All plus-point cast winners will advance from the first round to subsequent rounds. Casts not scoring a total of plus points in the first round will not have a dog advance to subsequent rounds and none of the dogs participating in that cast will be considered for championship points. This is to include all Registered, Hunting Beagle Champions and Grand Hunting Beagle Champions. Also see Winners section for the Registered Winners Pack placement. Exception: See special provisions for advancing dogs at those specific Elimination Events as noted below.

Advancing Dogs in the following major Elimination Events:

All cast winners, regardless of score, will advance to the next round at the Eliminator (East and West), Hunting Beagle Nationals, Hunting Beagle World Championship, and the McVay Memorial.

Hunt Time

The host club will be given the option of 60- or 90-minute hunts for all first-round casts of an Elimination style hunt. Subsequent round hunting periods (60 or 90 minutes) may differ from the first-round time period and be determined on the day of the event based on the total entry, consideration of the distance to running grounds, high temperatures in summer months, amount of daylight hours and availability of guides. The host club should always attempt to utilize the longest hunting time possible to give all dogs a fair chance to compete for a cast win. After entries are closed and before the casts are called out, the host club must announce and post in plain view to all participants the hunting time for each round. It is not mandatory that each category hunt the same amount of time on each subsequent round. All hunting time for each category must be posted in plain view after the entry deadline. It is mandatory that World Qualifying Only Events (WQE's) be 90-minute hunts.

Placing Dogs in All Divisions of Elimination Format

Only plus point cast winners from the first round are eligible for placement in any division.

(Exception: See Major Elimination Events noted above, where championship points may be awarded without plus points in any round.) No placements may be awarded until the final cast has been assembled. Hounds in the final cast will be placed according to highest total score in the final cast even if the points are minus. If a tie results because of hounds scratching in the semi-final cast, revert to previous round's score to determine placement. Any dogs scratched from a cast will receive the lowest position available in that cast.

Those hounds eliminated in the semi-final round (the cast immediately prior to the final cast) will be considered for placement provided they were cast winners from an earlier round. Second-in-cast hounds from the semi-final round will be placed next; in succession according to their score in that round. After second-in-cast hounds are considered for placement, third-in-cast hounds will be placed in succession according to their score in that round. (same for fourth-in-cast hounds) In the event that there are not enough hounds in the semi-final round to fill available placements, the same procedure may be used to revert back to a preliminary round.

No more than 10 Registered hounds, 5 Hunting Beagle Champions (requires an entry of 61 or more), and 1 Grand Hunting Beagle Champion will be placed.

Winners Packs and All Subsequent Rounds

1. All dogs advancing to a Winners Pack or any subsequent rounds must be present when cast is assembled or be scratched.

2. Hunting time for each round must be posted in plain view of all hunters at time entries close. The Registered Winners Pack will be judged by either one or two non-hunting Judges. Hunting Beagle Champion and Grand Hunting Beagle Champion Winners Packs may hunt with a Hunting Judge.

3. Winners Packs may run in an enclosure. For a pack to be considered a "Winners Pack" dogs must advance to that pack from a previous round.

Confirming Elimination Style Events

Elimination format must be indicated at the time of event confirmation. The Upcoming Events list will differentiate between standard format and Elimination format Hunting Beagle Events.
