## NEW TITLES

Listed below are the dogs who earned new titles in the past month. Also listed are the owners (O) and breeder (B) of the dog. The owner is listed as the person who is the registered owner of the dog at the time the dog finished its Championship. The person listed as the breeder is the registered owner of the dam at the time of breeding.

The list is organized first by type of Championship win, then in alphabetical order by the last name of the owner.

A dog will appear in the "New Titles List" each time it wins a new title. This appears in *COONHOUND BLOODLINES* each month. It includes all those dogs that are recognized Champions—their owners have their Championship Degree recognizing the win and new status.
