MASTER OF HOUNDS CHECKLIST

Note: It is mandatory that this checklist be read before calling out casts.

1. The Master of Hounds is: _____.
2. The deadline to return scorecards is _____.
3. Championship rules, as they apply to Nites and Grand Nites, are in effect for this hunt. All casts will hunt for 90 minutes. A dog must hunt the whole 90 minutes to meet cast winner requirements. The Final Cast will hunt for 60 minutes.
4. There are a few rule changes that apply to Super Slams only. Those changes are attached to each scorecard, for reference. The judge shall inform all cast members of those changes prior to the start of the hunt.
5. It is the club's decision to use _____ (hunting or non-hunting) judges. If there is a question in the woods, the proper procedures must be followed. If the question cannot be resolved in the woods, the handler must ask for a question to be placed on the scorecard to be resolved by the Master of Hounds. If the proper procedures are not followed, the question cannot be considered.
6. It is the handler's responsibility to make sure that all point values **in the strike and tree columns** are scored with a plus, minus, circle, or delete sign, prior to the card being turned in to the MOH. Points not valued will result in that dog being scratched.
7. IN THE EVENT OF AN APPEAL FILED TO UKC, **ALL PAYOUTS WILL BE WITHHELD** UNTIL THE MATTER HAS BEEN RESOLVED BY UKC.
