As was advertised in the UKC Tournament of Champions Official Rules, **UKC will need a W-9 tax form filled out by the owner listed first on the hound's papers in order to issue a check.** In this envelope you will find a W-9 tax form. Upon completion, you can either bring it the TOC Finals with you to turn in as you're confirming your entry or email it to Trevor Wade at twade@ukcdogs.com. If you elect to email a picture in, make sure it is a clear picture and the whole form is visible and legible. Checks will be mailed out ASAP after the conclusion of the event.

The event is being held at 3 Fat Labs Estate Wedding & Event Barn. **Due to a road closure, there is a detour that you will encounter on your way to the event venue.** Attached you will find a map, detailing the alternate route. Please give yourself time to get to the event and make the walk to the barn to confirm your entry. Don't miss out on your shot at competing in the event by missing the confirmation deadline. There is no camping available on site. **GPS Address:** 2009 S County Rd 400 W, Greencastle, IN 46135. Dinner will be catered for judges, guides, and each entrant plus one back up handler at 5:30pm so come hungry. Competitors who do not advance into the Top 6 are welcome to watch the live Play-by-Play at 3 Fat Labs on Saturday evening.
