**Round 1(a): Friday**

Up to 120 dogs will participate in Round 1(a). Preference for the morning hunt will be given strictly on entry number in the finals. Lowest entry numbers will be given the opportunity for the first round ahead of higher entry numbers. All these dogs will run on Friday morning, for 90 minutes, with hunting judges. All cast winners from these casts will advance to Round 2.

**Round 1(b): Friday**

The remaining entries will participate in Round 1(b). Any dogs that did not participate in Round 1(a) will run in this round. All these dogs will run in the afternoon for 90 minutes, with hunting judges. All cast winners from these casts will advance to Round 2.

**Round 2: Saturday**

All cast winners from Round 1 will go to the field and hunt for 90 minutes with a Hunting or Non-hunting judge (UKC decision). Either all Hunting Judges or all Non-hunting judges will be used. All cast winners will advance to the next round (Round 3).

**Round 3: Saturday**

All casts will hunt for 90 minutes with a Non-hunting judge. Hunt placement for all dogs not advancing to the final cast will be determined in this round by non-cast win scores. All ties will be broken by previous round scores.

**Round 4: Sunday**

The Final Cast consists of cast winners advancing from Round 3. This final pack will hunt for 90 minutes with up to three Non-hunting judges to determine first through the number of dogs participating in this cast.
