**About Performance Pack World**

The UKC Performance Pack World sees some of the best Beagles in the country. At this family-friendly event, spectators and competitors alike should plan to find an exciting weekend full of top-notch Beagles doing what they do best.

In Performance Pack events, dogs are drawn to five-dog casts and sent to the field with a judge who stays with the dogs as they run a track. Judges evaluate each dog in the pack on their ability to accurately run a rabbit. In the end, the judge tabulates the scores he has accumulated on each dog, and a winner is announced.

## General Information

This event is open to all UKC registered Beagles. Single registration will be available and open at time of entry. All dogs will be drawn out as one category regardless of degrees held. All rounds will be 60-minute hunts. All cast winners of each round will be eligible for the following round.

## Event Schedule

Entries will be taken both Friday night and Saturday morning.

**Friday entries:** 5 p.m. - 6 p.m. Entry Fee: \$30

**Saturday entries:** 6 a.m. - 7 a.m. Entry Fee: \$30
