## How Does It Work?

Any dogs born on or after May 1, 2020, were eligible to enter the Junior hunt. All dogs were drawn out together regardless of category. Junior hunts were available on Friday's Hunt #1 and Hunt #2 only. Dog were able to be entered in one or both hunts, provided owner had reservations for those hunts. The top four highest scoring Junior cast winners advanced to the Final Cast on Sunday morning and compete for the Junior National title. Double cast winners were considered first, followed by single highest scoring cast winners.

# Clash of Champions & Hunting Beagle Nationals - 2023 Recap

The hype of the 2nd Annual Clash of Champions was all and more it was cracked up to be. A program that comes with a \$35,000 total purse. To qualify, a hound must have a minimum of five UKC-licensed cast wins during the previous year. The total entry of qualified hounds that entered the regions in 2023 increased from 98 to 148 in its second year, a 66% increase. 32 hounds advanced from the four different regions to the finals, that were held on Thursday of the Nationals weekend in Zanesville, Ohio. All 32 finalist hounds were present.

All casts competed at Tri Valley Wildlife Area, consisting of over 16,000 acres of forests, fields and brush land terrain. The first-round winners reconvened at a designated parking area to redraw for the Heads Up Round 2. Four males and four females advanced to round two where the hunt time was shortened to be a one-hour hunt. By this time temps had risen to the mid-80's and it was a tough round in terms of running conditions. But the four females all prevailed over the males making it an all-female 60-minute finale.

The cast moved on down the road to a spot they designated for the final cast, and it did not disappoint. Sweet Tea ended up posting an impressive score of 695+ to win the \$10,000 top prize for handler, Braden Neely and owners, Josh Ware and Mitch Gould. Michael Banks handled Lula to a runner-up finish that paid out \$5,000, followed by Jason Vandergrift and Superstar grabbing the \$2,500, and Adam Banks taking fourth and \$1,500 with May. The four non-winning hounds after Round 2 each took home \$1,000. The remaining purse was awarded to the 24-non winners in round 1 of the finals.

Sweet Tea won the UKC's inaugural Junior National Championship in 2022, a competition for derbies under two years of age and now returns to win the Clash of Champions against all-age hounds. She comes from a family of winners that includes her dam Princess who was a big-time winner in her own right. As a derby she won the UKC's All-Star Regional Series and went on to win the title of National Grand Hunting Beagle Champion. Sweet Tea competed and won all three rounds in the Clash. She then went on to win both of her casts at the Nationals later in the same weekend to qualify for the championship on Sunday in the Champions Division. She won her first-round cast and then finished fourth overall. No doubt the Clash Champion had a phenomenal weekend and will have the attention of many to see what else she might accomplish.

Now in its second year at Zanesville and a format change that comes with a championship, the Hunting Beagle Nationals was a huge success. Sure, there's always room for improvement as it should be, and I feel we did improve on several items this year. One of those was the entry process where the hunters did not need to fill out

any entry slips. They could simply provide the UKC number of the dog and UKC staff would print their labels at the conclusion of entries closing for each hunt. This year we had UKC's Coonhound Programs Manager, Trevor Wade on staff to chair the entry processing system. He already had experience with the program and he and his crew managed that part exceptionally processing 120 reservations for each of the four separate hunts and ended up with not one single mistake. Commendable and a great testament as to why I wanted him to be the one to break it out for us at the Nationals.

Another change was where participants with a reservation could enter any dog of their choice, even if it was one that they did not personally own. Or if they could not use their reservation, they could transfer it to someone else. This was a more customer-friendly approach and folks appreciated it. Especially, those that needed a reservation but were otherwise sold out.

Another new item this year was a showmanship class for youth handlers. This class was held immediately after the licensed show on Saturday. We had two separate classes, those 12 and under and 13 to 17-year-olds. In this class it was not about the dog but rather how they presented their dog to the judge. Prior to the start of the show, the judge, Amy McDonald did a 15-minute seminar covering some of the most important basics of presenting dogs correctly. And then also what she would be looking for during the actual show. Amy did an excellent job with the seminar as well as capably judging the shows. In the senior division she chose Brogan Sampson as the winner, citing one of the things she did better was paying attention to what the judge was doing and making sure she had her dog in a presentable position when the judge did look her way. In the junior division she chose Braxton Owens as the winner. Braxton has now been handling dogs for several years in both the hunts and the shows and is an excellent handler. Both winners received a nice trophy and a \$100 gift card to Cabela's courtesy of UKC. As it turned out, Braxton also received the Youth Handler Award for the hunt portion after he handled his dog all the way to the championship round on Sunday. Congratulations to all the you handlers who participated at the Nationals. We sure are lucky to have so many participating in the sport.

Make sure you check out all the winners and their photos of the Clash and the Nationals on the UKC website and Beagles Afield Facebook page. This includes the Clash winners, the Junior National Championship winner Widow Maker, the top four in Registered and Champions, and the National Grand Winners in both hunt and show – 3MC Chief and Little Miss Molly. There are some great stories that came out of these events. For more on the format and the winners be sure to check out episode 47 and episode 50 of the UKC's Hunting Ops podcasts.

On behalf of UKC we appreciate everyone who attended the Clash and the Nationals and congratulate all the winners. Thanks to all the reps, volunteers, everyone who guided a cast, helped judge, or helped in any capacity to make it the great event it was.

# 2023 First Strike Series Standings

## General Information

Points can be earned for both hunt and bench show competition accomplishments. Points earned in Hunt and Bench Show will be included in the Youth Handler's total points earned. However, Bench Show points are limited to not exceed the number of hunt competition points earned when the total is determined at the end of the calendar year. Note: This is not a rule for each individual event. It's a rule that only affects the final total points awarded at the end of the calendar year.

Example: John Doe Jr.: year-end Hunt points total = 75; year-end Show Points Total = 100; year-end Total Points Earned = 175. Result: Net Point Total = 150.

Any Youth Handler may compete with no more than two dogs in a hunt and or a show on the same day. The dog(s) they compete with in the hunt do not have to be the same dog(s) they compete with in the show. The dog they compete with is not required to be a dog that is registered to the youth as the owner.

Points may be earned throughout the calendar year (January 1-December 31). Standings will be updated monthly and published on the UKC website and in the UKC Beagle Newsletter.

## Youth Handler Responsibilities

Whenever a youth is handling more than two different dogs in a hunt or more than two different dogs in a show, it is the youth's responsibility to clearly advise the entry takers, at the time of entry, which two dogs they are competing with for Series Points.

## Event Officials Responsibilities

It is the responsibility of the event official (Master of Hounds and Bench Show Judge) to complete the First Strike Youth Series Results Form that is included with the Event Report. That form must be sent to UKC along with the Event Report. If there were no youth participating in the event that day, the event officials should indicate it as such on the form and include it with the Event Report regardless.

## Award Winners

At the end of the year, there will be three winners recognized in each age division. The highest total net points earned will be the Gold Champion. The second highest total net points earned will be the Silver Champion. The third highest total net points earned will be the Bronze Champion. The winners will be recognized and receive their awards each year at the Beagle Nationals Awards Ceremony.
