INHERENT RIGHTS & POWERS OF UKC®

(Revised December 18, 2009)

These inherent rights and powers include but are not limited to the following:

United Kennel Club has the right to inspect all reports, scorecards and documents related to UKC events. Some, but not all, of the items subject to inspection are:

- a. scores;
- b. disqualifications of dogs for fighting or other reasons;
- c. errors by the recording person; and
- d. documentation excluded for any reason. UKC reserves the right to correct any mistakes found during such inspection whether or not the document has the signature of a Judge or Club Officer. UKC reserves the right to itself and in its sole judgment and discretion, to take such actions and impose such sanctions as would:
 - a. Bar an individual from entering or participating in any way in any UKC licensed event.
 - b. Bar an individual from transferring or registering any pups or dogs in that person's name (joint or full registration) or to any member of that person's family.
 - c. Bar an individual from receiving Championship wins for any dog registered in that person's name (joint or full registration).

By way of illustration, the following constitute some, but not all, of the situations calling for the above sanctions:

- a. Falsification or alteration of a UKC Registration Certificate, Pedigree, UKC Easy Entry® Card or any other UKC document.
- b. Falsification or alteration of any reports of wins issued to UKC
- c. Falsification or alteration of receipts issued by UKC Judges.
- d. Switching, wrongfully using or attempting to use a UKC Registration Certificate, Pedigree, UKC Easy Entry® Card or any other UKC document.
- e. Selling or attempting to sell a dog with false or incorrect UKC Registration Certificate or Pedigree.
- f. Intimidating, threatening, or injuring a Judge, Club/Association member or official, event participant or spectator, or UKC representative.

The six illustrations given above are only by way of example and UKC reserves to itself its inherent right and power to impose such sanctions in any other circumstances deemed appropriate by UKC.

Any individual who is found guilty by a court of law of a crime involving dogs will be barred from United Kennel Club for an indefinite period. A person shall be considered guilty in a criminal proceeding if they are convicted by a judge, jury, or if they enter a plea bargain or other arrangement to plea to a lesser offense, or if their case is disposed of by any form of deferred adjudication; a person shall be considered guilty in a civil proceeding if they are held responsible or liable by a judge, jury, or if a compromised settlement is reached between the parties.

EVENT INFORMATION

ENTERING DOGS IN UKC® LICENSED EVENTS

Revised September 1, 2022

1. THE "REGISTERED OWNER"

The registered owner is the individual whose name and address appears on the front of the Registration Certificate or UKC Easy Entry® Card. If the registered owner utilizes the Registration Certificate instead of the UKC Easy Entry® Card, they may enter the dog in the event provided that the back of the Registration Certificate is blank.

2. THE "NEW OWNER"

The new owner is an individual who has purchased a dog from the registered owner. The new owner may enter the dog as a Conditional Entry (see 3. Conditional Entries below). The new owner will enter the dog listing it in its registered name, registered owner (seller) as the owner and the new owner as the handler.

3. CONDITIONAL ENTRIES

A Conditional Entry is one where the participant is not in receipt of the form of entry required to enter their dog in the event. Those include the following:

- a. Not in possession of current Easy Entry® Card or Registration Certificate.
- b. Non-Updated Category Easy Entry® Card after having been notified by UKC.
- c. UKC Registration Certificate (New owners not yet transferred Registration Certificate).
- d. Application for Permanent Registration (puppy papers).
- e. Previous owner's Easy Entry® Card.

The participant may enter their dog as Conditional with an additional fee of \$5. It is the responsibility of the owner and/or handler that the information given and recorded on the Event Report is accurate. If the participant cannot provide an accurate UKC number for the dog it is better to leave that information blank. Otherwise, UKC may not award Championship wins or wins for that specific entry. The Entry Taker will accept the entry and the additional \$5 fee. They will make record of such on the Event Report and mail them to UKC with all other Event Fees.

4. PENDING SINGLE REGISTRATION

Dogs may be entered as "pending" only if the dog is single registered the day of the event in which they wish to enter, or if single registration application has been sent to United Kennel Club within 45 days prior to the date of the event they wish to enter. Once permanent registration papers are received by registrant, that dog can no longer be entered as pending.

5. PENDING PERMANENT REGISTRATION

Dogs that were litter registered, but have not yet been permanently registered, may be entered as a Conditional Entry (see Conditional Entries (d) above) by presenting the dogs Application for Permanent Registration certificate (puppy papers). The UKC number on the certificate shall be noted on the event entry label for the dog. Dogs entered in this manner cannot be awarded any championship wins until the dog is permanently registered. Once the dog is permanently registered, the owner must submit proof of any placement to UKC in order for championship wins to be applied. No exceptions. Any pending championship wins expire if the dog is not shown as permanently registered at UKC within 60 days of the date of the event. However, any expired championship wins may be applied after 60 days if the dog is permanently registered and the owner submits proof of championship wins earned, accompanied with a \$75 fee, to UKC.

THE PAPERS REQUIRED FOR ENTERING EVENTS

Three different ways to enter. Submit any of the following to entry takers. Note: No entries are to be taken after the advertised deadline for any reason.

1. Registration Certificate (not required to reflect Champion or Grand Champion).
2. UKC Easy Entry® Card. Photo acceptable.
3. Conditional Entry (see CONDITIONAL ENTRY above).

Note: If the participant cannot provide one of the first two items noted above, with exception to dogs that are pending single registration, then the dog may be entered as a Conditional Entry for a fee of \$5.

in addition to the entry fee. No papers or additional conditional entry fee is required if single registration application has been sent to United Kennel Club. Note "pending" in place of UKC number on entry label for single registered dogs whose owner has not yet received the dogs' permanent registration certificate.

ENTERING IN NEXT HIGHEST CATEGORY

Dogs which fulfill the requirements for a UKC Champion or Grand Champion degree in a Squirrel Hunt or Bench Show, may be entered in the higher category, with their previous category's Easy Entry® Card, until officially notified (updated Easy Entry® Card and Degree mailed to owner) of their new title by United Kennel Club.

This is contingent on the condition that the records kept by the dog's owners are consistent with those kept by UKC.

Neither UKC nor the host club are responsible for any mistakes made by, or on behalf of, the owner concerning the dog's degree.

If it is found that the owner's records were in error, and the dog had not fulfilled the requirements for a Championship title, any win(s) attained by that dog in the higher category will be considered void.

THE RIGHT TO REFUSE ENTRY

The local club management has the right to refuse entry to any dog or handler. However, no handler shall be refused or barred on basis of religion, race, color, national origin, age, or gender.

UKC® EASY ENTRY® CARD

At no additional charge, UKC will mail, along with the UKC Registration Certificate and Pedigree, the UKC Easy Entry Card. The UKC Easy Entry Card may be used in place of the Registration Certificate when entering UKC licensed events. Updated cards will also be mailed, along with the Championship Degree, to the Registered Owner without charge, each time the dog earns a new UKC title. Additional Easy Entry cards are available for a fee from the Registration Department for dual ownership situations. A photo of the Easy Entry card on a phone is an acceptable form of event entry requirements.

TITLES OF EXCELLENCE FROM UKC® AND REQUIREMENTS TO EARN THEM

Effective January 1, 2019

The rules, regulations, classifications, classes, and Championship wins as recognized by the United Kennel Club are uniform throughout the United States and Canada. They are not given on a local or geographical basis.

The degrees of excellence as issued and recognized by the United Kennel Club are:

1. **UKC SQUIRREL CHAMPION (SQCH)** - requires five cast wins in the registered portion of a UKC Licensed Squirrel Event: To be declared an official Squirrel Champion, a dog must have five cast wins recorded on the records in the UKC Championship Office in a UKC Licensed Squirrel Event. A dog must have a total score of plus points before they can be considered a cast winner, unless otherwise noted for specific events.
 - a. **UKC GRAND SQUIRREL CHAMPION (GRSQCH)** - earned by winning eight (8) Champion wins at UKC Licensed Squirrel Events. In this portion of the event, Champions and Grand Nite Champions are drawn out and compete in the same division. A Champion or Grand Champion may not hunt in open competition, unless the event is designated as such. They must hunt in their own class, not lower.
 - b. **UKC GRAND SQUIRREL CHAMPION MULTIPLIER DEGREES (GRSQCH2, 3, 4, 5)** Additional multiplier degrees are issued to Grand Squirrel Champions after they have earned eight (8) cast wins as a Grand Squirrel Champion. After the first eight cast wins the dog will earn the degree of GRSQCH2, after the second eight (8) cast wins the dog will earn the degree of GRSQCH3, and so on.
 - c. **UKC HALL OF FAME (GRSQCHHOF)** A UKC Hall of Fame Degree is awarded to Grand Squirrel Champions who have earned a total of 37 Grand Champion cast wins. This is the equivalent of a GRSQCH5 plus five more cast wins.
2. **UKC SHOW CHAMPION (CH)** - the following points and classes have been established for the placement of a UKC Registered dog in order to earn Show Champion points:

Definition of Classes: Males and females are shown separately.

Puppy Class: Shall be for dogs six (6) months to one (1) year of age. The winner of this class will be awarded ten (10) points.

Junior Class: Shall be for dogs one year of age and under two years of age. The winner of the class will be awarded ten (10) points.

Senior Class: Shall be for dogs two years of age and over. The winner of this class will be awarded ten (10) points.

Best of Breed: Shall be selected from the winners of the Puppy, Junior and Senior Classes. The winner of this class shall be known as Best of Breed and shall be awarded fifteen (15) points.

Best Male or Female of Show: Shall be selected from the Best of Breed winners. The winner shall be known as Best Male or Female of Show and awarded ten (10) points.

Points Awarded:

Class Winner-Males	10 Points
Class Winner-Females	10 Points
Best Male of Breed	15 Points
Best Female of Breed	15 Points
Best Male of Show	10 Points
Best Female of Show	10 Points

- a. A Show Champion will be a dog that has earned a minimum of 100 UKC recorded Championship wins and one win with competition while showing for Best Male or Best Female. Points must have been earned under at least two different UKC Licensed Show Judges. Male and Female Show Champions are shown together.
- b. UKC GRAND SHOW CHAMPION (GRCH) – earned by winning five (5) Champion of Champions show classes in at least five different UKC Licensed Bench Shows. Must be under at least three different Judges. Male and Female Grand Show Champions are shown together.

UPCOMING UKC® LICENSED EVENTS

To aid clubs and provide one complete source of upcoming event advertising information, UKC requires that a club provide UKC with complete information about their events. The information will then appear on the UKC website and in Full Cry. In Full Cry, the information is organized first by state and then by date within that state. Club secretaries should read the section, "Club Officer's Guidelines for Conducting UKC Events."

IMPORTANT NOTICE

Unless otherwise indicated in the Upcoming Events Listing, all casts will have Hunting Judges.

AWARDS AT UKC® LICENSED EVENTS

Revised September 1, 2022

The Host Club has options of awards to their winners. Trophies or plaques are popular because winners then have a memento by which to remember that hunt. Clubs may also choose to have a Poor Boy event where no awards are given. Generally, entry fees are lower for Poor Boy events. If the club chooses to not give awards they are strongly encouraged to note "Poor Boy" on the Event Confirmation form so it can be advertised as such.

Monetary prizes may also be awarded. The club may choose to pay back entry fees or some other monetary prize to their winners. In the event they wish to include an added purse in their award package the club should include such notice in the Special Instructions section when confirming the event. Distribution of such prize money is the sole responsibility of the club. The UKC will not enter into any disputes thereof.

The club must understand and be aware that there may be additional law and tax implications that they will need to adhere should they be interested in awarding monetary prizes or conduct any Calcutta type activities at their event. UKC cannot provide any legal advice or information regarding any additional laws and/or tax implications that may be associated with such activities, and is not responsible for any complications that may arise. Clubs are responsible for ensuring compliance on their own and must know that they proceed at their own risk with any such activities.

CLUB OFFICERS GUIDELINES

Revised September 1, 2022

1. REQUIREMENTS FOR UKC APPROVED CLUBS

- a. Names, complete addresses and telephone numbers of new officers shall be submitted to UKC immediately following each election.
- b. UKC recommends a membership that includes enough active members to properly conduct an event without relying on outside help.
- c. Constitution and By-Laws must be submitted to UKC. A sample copy is available upon request.
- d. In addition to UKC rules and policies, clubs must ensure that all Federal, state and local laws are followed. It is the club's responsibility to be aware of all applicable laws and regulations, and a statement to this effect must be included in the club Constitution and By-Laws.

Sample: All licensed events sponsored by the club will be run in accordance with the rules and policies set forth by the organization for which the license has been issued. The club shall also be aware of any and all Federal, state and local laws and are responsible to ensure that applicable laws and regulations are followed.

- e. The club must provide a complete membership list of all of the active members.
- f. State the exact location where the events will be held (city and county).
- g. A completed officers list stating the name, address, phone number, and email address of each officer. You must keep UKC updated on any change of officers or contact information.

Note: The UKC Hunting Ops Department will review not only your club's location but the number of clubs that are within approximately 100 miles of your club actively holding UKC Licensed Events. It is possible that your club will not be approved to hold UKC licensed Events based on club density.

2. SUGGESTIONS FOR SUCCESSFUL EVENTS

- a. Practice or "buddy" hunts should be conducted to familiarize members with the UKC Squirrel Hunt Honor Rules.
- b. Contact your State Corporation office in order to make the club a non-profit Corporation.
- c. It is suggested that you purchase a liability insurance policy before conducting events.
- d. Periodic rules seminars should be held to update members on rule changes.
- e. Appoint separate committees for Squirrel hunts and Bench Shows. Committees for kitchen, membership, trophies or any other club activity will spread the workload around and ensure success.
- f. Appoint a membership chairman to coordinate membership drives.
- g. Develop an active youth program to bring young hunters into your club. They are your future!

3. SCHEDULING YOUR UKC DATES

- a. Contact the Hunting Ops Department at the United Kennel Club to determine if the requested date is available and does not conflict with another club's event: (269) 343-9020 or huntingops@ukcdogs.com. UKC endeavors to maintain the same dates for your licensed club events from year to year; however, they may vary a week or so, depending on the change in the calendar. These dates cannot be changed without approval from United Kennel Club. If there is any question about your dates, contact the Hunting Ops Department immediately. A maximum of seven (7) dates may be granted, to clubs in good standing as determined by UKC.
- b. Any date that was reserved and held by the club will automatically be reserved and held for the club the following year. Reserved dates not held by the club will fall off their reserved schedule of dates the following year.

4. ADVERTISING YOUR EVENT

- a. Advertising other than that appearing in UKC's free upcoming events listing is not required.
- b. If club does decide to advertise, the information in the advertisement must be the same as the information in the UKC's Upcoming Events listing. If information in an advertisement for an event disagrees with the information found in the Upcoming

Events list, then the Upcoming Events list is considered correct and what the club must go by. Further, the "Upcoming Events" listing on the UKC website shall be the final authority.

- c. Events expected to be published in the list of UKC's Upcoming Events in Full Cry must be scheduled and confirmed no later than on the first day of the month that is two months prior to the month in which the event is being held. Example: An event being held on September 15th must be scheduled and confirmed no later than July 1st. Otherwise, events must be scheduled and confirmed no less than 30 prior to the event date and will be advertised and appear on the UKC website Event Calendar only. Club officers shall check the Upcoming Events Listing as soon as it appears to be assured the information is correct.
- d. A club may not change the location of an event without contacting UKC at least 90 days prior to the event. UKC reserves the right to grant or deny approval.

5. HOW TO CONDUCT YOUR UKC LICENSED EVENT

- a. Event Supplies:
 1. The event supplies will be mailed approximately three (3) to four (4) weeks prior to the event to the corresponding officer currently on file at UKC.
 2. Upon receipt of the package, the corresponding officer should check to make sure they have received all needed materials. If not, contact UKC immediately at (269) 343-9020 or huntingops@ukcdogs.com.
 3. If the package is not received two weeks prior to the event, contact Hunting Ops immediately.
- b. Licensed Officials: All clubs holding UKC licensed events must check to see that the person serving their event as Hunt Master (if a HM is required) or Bench Show Judge has a current UKC license. If the person does not have a current license in his possession, DO NOT schedule him or her to officiate the event. You have the right to request to see the license or you may check the official's listing on the UKC website or contact Hunting Ops for verification. If the individual serves your event without a current license, the club will be responsible and may lose approved status for future UKC licensed events. This policy will be rigidly enforced. Please confirm the status of the license well in advance of the event.
- c. Things to do the Day of the Event:
 1. Post legible signs at all major intersections directing participants to your club.
 2. Post the Hunt Master/HD Checklist.
 3. Post entry deadline time and deadline for return of scorecards.
 4. Club is responsible for having an adequate number of qualified guides on hand. Club is also responsible for guides they use having permission to hunt where they take their casts.
- d. Taking Entries: Carefully follow the procedures outlined under the "Hunt Master Guidelines" and "Entering Dogs in UKC Licensed Events".
- e. Reporting the Results of Your Event to UKC:
 1. Complete the Official UKC report forms. Be sure that the UKC number and the registered owner's name for each dog is correct. Other than the title, use dog's complete registered name on reports. The report must also include the accurate number of dogs entered in each category. Otherwise, the report is held up and cannot be processed until any such missing information is received by UKC.
 2. All report forms MUST be thoroughly checked and signed by the Hunt Master/HD or Bench Show Judge.
 3. Clubs MUST retain copies of their event reports and scorecards for a period of a year.
 4. Completed and signed reports are then to be returned to UKC's Hunting Ops Department, along with the appropriate fees each dog entered in each licensed event. Reports must be submitted to UKC within ten (10) days of the event, or a penalty charge will be assessed to the club. An additional charge for each passing month will be made for reports that are thirty (30) days past due. Late fee amounts are available by contacting UKC but are subject to change with or without notice.
 5. The club will be responsible for following the above rules.

Failure to do so will result in the loss of approval of future licensed events and winning placements may be affected.

6. SENIOR'S CASTS

Individuals aged 55 or older are entitled to be drawn to a Senior's Cast at UKC Licensed Feist Events. Senior Casts will not be run at the World Championship and or any other event that is advertised as such.

At the individual's option and request, they may be drawn into a Senior's Cast under the following rules:

- Proof of age; driver's license, hunting license, birth certificate, etc. must be presented to entry takers.
- Registered, Champion/Grand Champion Casts. A minimum of two (2) individuals, age 55 or older, must participate for a Senior's Cast to be drawn.
- The score of the Senior's Cast(s) will compete with the scores of all other casts in a particular division; Registered, Champion/Grand Champion, for placement in the UKC Licensed Feist Event.
- Individuals, age 55 or older, do not have to compete in the Senior's Cast. They may choose to compete in the all-age casts if they so choose.
- Senior's Casts will compete under the same UKC Feist Event Honor Rules as do all other casts in their division with no exceptions.
- Any handler unable to complete their hunt may be replaced by a back-up handler, who is also 55 or older. Otherwise, the dog is no longer eligible to compete in the cast.

7. APPEAL PROCEDURE FOR SITUATIONS HAPPENING DURING A UKC LICENSED HUNT

This procedure applies for all situations arising during the time that the Judge's authority is in effect. Authority of the Judge begins when he is officially designated and receives the scorecard. The authority of the Judge ceases when the scorecard is turned in to the Hunt Master or the Event Official. The Appeal Procedure does not apply to the World Squirrel Dog Championship. The Hunt Masters' decision will be final in all situations pertaining to activities during the actual hunt. This Appeal Procedure does NOT apply to situations arising that deal with intimidating, threatening or injuring a Hunter, Judge, Hunt Master, Hunt Director, Club Official or a UKC Representative.

The following steps must be followed:

STEP 1. Attempt to resolve the question with the licensed Hunt Master, the handler raising the question, the Judge of the cast and the other members of the cast that are available. The Hunt Master will make a decision based upon the statement of the case provided by the handler, Judge and the other members of the cast. No complaints will be considered by the Hunt Master after a period of thirty (30) minutes has elapsed from the time that the scorecard has been turned in.

STEP 2. If the question is not resolved at Step 1, request that a Panel be formed. A Panel Fee of \$10 must accompany your request. The Hunt Master/HD will then assemble a panel of three responsible, impartial individuals who are familiar with UKC policies and procedures. (This is the first step taken when using the Hunt Director Format.) If Panel rules with handler, fee will be refunded; if they disagree, the Panel fee will be retained by the Host Club. The Panel meeting must be held within one (1) hour after the deadline for the return of scorecards.

STEP 3. The Panel will hear all sides. At the conclusion of all testimony the Panel will make a ruling. The Event Report shall reflect the Panel's decision.

STEP 4. If the question is not resolved at Step 3, a handler must immediately request a UKC Appeal Form while the Panel is still assembled. The form must be filled out by the handlers on the cast, the members of the Panel and the Hunt Master/HD. A fee of \$20 must accompany the appeal when sent to UKC. The Appeal Form must be included with the Event Report mailed to UKC.

STEP 5. UKC will investigate the matter and make a final ruling. If the UKC supports the individual filing the appeal, the fee will be refunded. A written statement reflecting the final ruling will be mailed to those involved. The UKC reserves unto itself, in its sole judgment and discretion, the right to make corrections it deems necessary.

PANEL RESPONSIBILITIES

A panel of qualified event participants needs to be formed in two situations. 1) in the event a handler is not satisfied with the Hunt Masters' ruling in a Hunt Master Format event and; 2) when a question is placed on the card in a HD Format event. Complaint panels should consist of three individuals who are current on all Squirrel Hunt rules and policies. They may or may not be club members with primary

concern going towards finding individuals that are knowledgeable, honest and impartial. A panel must be formed of individuals that can remain totally objective in concerns to cast members and dogs on the cast in question. Individuals who have a dog in contention to place in the event should not be used on a panel. The panel will hear all viewpoints of cast members and come to a consensus decision regarding the final scoring of the cast. Should a panel's decision support the complainant, the \$10 will be refunded. Should the panel's decision go against the complainant, the \$10 will be retained by the Host Club.

8. HEARING DEVICES IN UKC LICENSED EVENTS

Individuals who have been professionally diagnosed as being hearing-impaired may utilize an auxiliary hearing device in UKC licensed Feist Events. Common types of auxiliary devices are the Bionic Ear, Hound Sounder and Action Ear. These devices are electronic sound amplifying devices.

UKC policy has always been such as to permit the use of normal hearing aids of the type prescribed by physicians for everyday use by individuals with hearing problems. Procedure for obtaining permission to use an auxiliary hearing device:

- Obtain a statement, signed by a licensed physician on his or her official stationery, indicating the need for such auxiliary hearing device in order to improve impaired hearing.
- Submit the statement to UKC Feist - Hunting Ops. Upon receipt of the doctor's statement, UKC will issue a Letter of Permission to Utilize an Auxiliary Hearing Device to the individual. Note: Device may only be used by the actual handler of the dog, not a backup handler or spectator.
- The individual must submit the Letter of Permission to Utilize an Auxiliary Hearing Device for inspection by the Entry Takers and to the Judge of the cast as proof of permission to use the Auxiliary Hearing Device. The Letter of Permission to Utilize an Auxiliary Hearing Device must be on official UKC stationery. Club officials must not accept any other form of permission.
- Individuals who (1) fraudulently obtain the physician's statement, (2) fraudulently utilize the Auxiliary Hearing Device or (3) use the Auxiliary Hearing Device without following the steps of this procedure, will be dealt with under the Inherent Rights and Powers of UKC
- Undue violations or abuses of this policy will result in resumption of the former policy which permits the use of "normal" hearing aids only.

UKC® LICENSED HUNT FORMATS

Revised September 1, 2022

Dogs entered in UKC Feist Events may not be muzzled. United Kennel Club offers clubs the option of a Standard, Elimination or Slam hunt format, as outlined below. Unless specifically noted in the advertising or listing of an event, all events will be run under the Standard Hunt format.

1. STANDARD FORMAT

Dogs are drawn out into two separate categories based on their current Championship wins standing at United Kennel Club. Registered dogs draw out together in one category and Champions and Grand Champions draw out together in a second category. Dogs entered in the wrong category are not eligible for championship wins. Event placements are awarded based on plus-point cast winner scores in one round of competition, regardless of category, in accordance with the UKC Licensed Feist Honor Rules.

NOTE: Consideration for drawing all dogs out in one category in this format MUST be requested and pre-approved by UKC. If approved, information as such must be included in the event details.

2. ELIMINATION FORMAT

All three categories (Registered, Champions, and Grands) are drawn out and compete together. First round plus-point cast winners are drawn into a second round. Plus-point cast winners from the second round will advance to the next round, and so on. All dogs advancing to subsequent rounds must be present when cast is assembled or be scratched. No Placement may be awarded until the final cast has been assembled. Dogs in the final cast will be placed according to highest total score in final cast, even if the points are minus. In the event one dog remains in the final cast, the hunt will end, and the remaining dog shall

be declared the winner. The 2nd-10th place dogs, regardless of category, will be placed according to score. Placement is determined; first by order of non-cast win scores in the final cast. Next, by order of semi-final round non-cast win scores. If there aren't enough semi-final round dogs to fill out 4-10th place, previous round plus point dogs will be placed accordingly. **TIEBREAKERS:** Rule 20 shall be used to break ties except for flipping a coin, if previous round scores are available to use in place of 20 (e). Also, hunting in sudden death, Rule 20 (d), applies to unbreakable ties for the win in the same cast but is not an option for breaking ties in different casts. Hunt Master, or spouse, conducting the world event isn't allowed to enter a dog even with the use of a handler. Hunt Master ruling is final at the UKC world event.

3. SLAM FORMAT

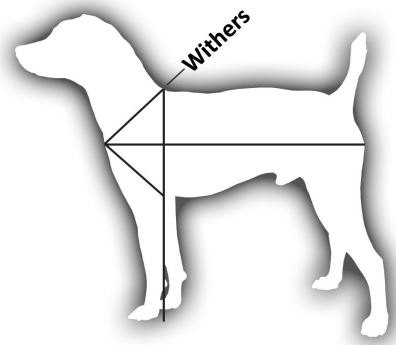

UKC Slam Events Official Rules

1. Slam Events are available to all UKC approved clubs. Clubs may designate any of their scheduled dates for a Slam Event. Simply note the Slam designation portion on the Event Confirmation form. A regular bench show may be held in conjunction with a Slam Event.
2. Entry Fees: Clubs have the option of setting their entry fees at \$20, \$30, \$50, or \$100. The entry fee decided on must be noted on the clubs Confirmation Form that is sent to UKC pre-event.
3. License and Recording Fees: Slam Events require a license and recording fee, in the amount applicable, that must be included with the Event Report mailed to UKC.
4. Eligibility for Events: Open to all UKC registered Feists.
5. Rules for Running the Events: All dogs, regardless of category (Registered, Champion, Grand), are drawn out together using UKC Feist Hunt Honor Rules, in effect for the year the event is run.
6. Hunting Time: The early round cast at any event will be two hours in duration, unless otherwise approved by UKC. A hunt time period for the final cast may be 60 or 90 minutes (club's discretion).
7. Judges: One Hunting Judge per cast in the preliminary round. The final cast shall have a non-hunting judge.
8. Prize money: In \$20 or \$30 entry fee hunts, 55% of the entry fee is paid to the event winners. In \$50 entry fee hunts 70% of the entry fee is paid to the event winners. In \$100 entry fee hunts, 80% of the entry fee is paid to the event winners. First, all first round plus-point cast winners are refunded/awarded amount of entry fee. Remaining prize money is awarded to those dogs in the final cast. Prize money will be paid by the host club in accordance with the Slam Prize Breakdown Form (provided in the event packet). The distribution of Slam prize money is strictly the responsibility of the host club and not the responsibility of United Kennel Club. Clubs may offer an "added" purse to be divided among the final cast.
9. Final Cast: The top three (3) highest scoring cast winners with a total score of plus points will advance to the final cast. Dogs in the final cast shall be placed according to score in the final cast including up to 300 minus. If tie cannot be broken, dogs remaining tied will split prize money for that placement. If all dogs in final cast scratch, purse will be divided equally among all members of the cast. See Slam Prize Breakdown Form (provided in the event packet) for other scratched dog breakdowns.
10. Splitting Prize Money: Slam prize money may only be split if majority of final cast agrees to do so. Otherwise, cast must hunt final cast to determine prize money distribution.
11. Championship wins: All plus-point cast winners in the first round will receive a championship win towards their degree. No additional championship win is awarded to the cast winner of the Final Cast.
12. No Plus Point Cast Winners: If there are no dogs with a total score of plus points, a final cast will not be assembled, and no Championship wins will be awarded to any dogs. The payout for this event shall be distributed evenly amongst all entrants

MEASURING DOGS

Effective September 1, 2017

The act of measuring dogs is important in two different situations at all UKC Feist events. First, any dog single registered on the day of the event must be measured prior to entry of the hunt. Second, all dogs, except those that are permanently measured, must be measured the day of the event prior to entry of hunt or show. Those dogs measuring over 18 inches will not be eligible to be hunted or shown that day. If a dog meets the measurement requirement in the morning prior to the hunt, that same dog need not be measured for the show. The registrant/handler of a dog that is measured over 18 inches by one of the entry takers may appeal to have the dog measured by the Hunt Master/Hunt Director or Bench Show Judge. Their decisions are final.

A drop bar type measuring stand or a rigid, one piece, wicket-type stand set for 18 inches are both acceptable types of measuring devices. A tape measure is not an acceptable means of measuring dogs at events. Dogs must be measured at ground level. The height of the dog is the distance from the ground to the top of the shoulders or withers. This point at the top of the shoulders is where the neck appears to meet the shoulders. The dog's legs should be directly under him and not leaning forward or backward. The registrant/handler may assist in posing the dog and steadying him. No physical alterations may be made to dogs to comply with height restrictions.

NOTE: All dogs registered with United Kennel Club prior to September 1, 2017, may request Permanent Measurement Exemption from UKC. Otherwise, they are required to be measured at the event under those rules, as outlined above. The owner will receive a new Easy Entry® Card noting the dog is permanently measured, which also serves as an official measurement exemption for those dogs not meeting height requirements. The same fee applies as a Permanent Measurement.

PERMANENT MEASUREMENTS

Owners have the option to have their dogs permanently measured at designated events by a UKC designated official. Dogs must be a minimum of 18 months of age to be eligible for a permanent measurement. Dogs measuring over the maximum height of 18", according to the official measurement, will be recorded as such and will no longer be eligible to enter a UKC Licensed Event. Exception: Dogs registered prior to September 1, 2017, as noted above. The registered owner will receive a new Easy Entry® Card for the dog denoting the permanent measurement. Additionally, the permanent measurement will be noted on the dogs' record at UKC and remain with the dog even if transferred to a new owner.

IMPORTANT FEIST EVENT CAST BREAKDOWN INFORMATION

Cast Breakdown Information. Each Squirrel Event must offer a Champion/Grand Champion cast. In order to receive credit, Squirrel Champion/Grand Squirrel Champion must have a total plus score and hunt the entire event. This is to apply even if only one Champion or Grand Champion is present to be entered in these casts. A Champion or Grand Champion may not hunt in open competition. They must hunt in their own class, not lower.

HUNT MASTER (HM)/HUNT DIRECTOR (HD) GUIDELINES

Revised September 1, 2022

UKC Feist events must be listed on the UKC website Upcoming Events Listing. The listing must indicate a time deadline for closing entries. No entries will be accepted after the listed deadline for any reason. If a Club's event listing does not appear in the Upcoming Events Listing as specified, the UKC Licenses for the event will be withdrawn and no UKC Championship wins will be awarded.

1. EVENT OFFICIAL FORMAT

The club to which the event license is issued has the option of running their event under Hunt Master or Hunt Director Format unless otherwise restricted by the UKC. The procedures immediately following are relevant to both formats. Procedures and policies relevant specifically to the HM or HD format will follow.

2. HM/HD CHECKLIST

When you arrive at the club check to see that the following are posted:

- HM/HD checklist.
- Entry deadline time.
- Time deadline for returning scorecards.
- Telemetry Rules.

3. HOW TO TAKE ENTRIES

Give an entry slip to each participant and have them fill it out clearly and completely. If an individual attempting to enter a UKC Licensed event appears, in your judgment, to be under the influence of alcohol or non-prescribed drugs, do not accept their entry. Notify the appropriate club individual or officer of what you are doing and why. Be sure to follow entry requirements outlined under Entering Dogs in UKC® Licensed Events.

Note: No entries are to be taken after the advertised deadline for any reason.

4. SELECTING JUDGES

Club Officers and the Event Official shall work together in selecting qualified individuals only to serve as judges. The judge must have a good understanding of the Official Feist Rules and capable of applying them accordingly. He/she must be honest and trustworthy and know the proper procedures that are to be followed if a question arises. They should also be willing to judge the cast for the duration of the hunt. When hunting judges are used, the number of judges needed in each category shall be pre-selected from that pool of entries.

5. SELECTING GUIDES

The Host Club is responsible for selecting qualified guides. In the event available guides are not needed the host club has the final decision on which ones will be used. The guide shall be a responsible individual who has permission to hunt on the property(s) they take their cast. The guide shall be willing to guide the cast for the duration of the hunt. All cast members shall be considerate of the crops, fences, and trees or otherwise on the property being hunted.

6. SEPARATING ENTRIES FOR CAST DRAWING

Start your judge and guide selection process for each category when you begin taking entries. You should have four separate pools of entries for each category as follows:

1. An entry serving as a hunting judge and a guide.
2. An entry serving as a hunting judge.
3. An entry serving as a guide.
4. All remaining entries.

7. DRAWING CASTS

Do not start drawing out casts until after entries are closed at the advertised deadline time. The drawing of entries must be done publicly. Announce that you are ready to start drawing entries so anyone wanting to watch has the opportunity. As a matter of courtesy, draw the Champions category first followed by the Registered category. If a state requires a license or permit number, make certain that it appears on each scorecard.

UKC approves any draw system that is fair and impartial such as the following methods:

1. Based on the entry determine the number of judges and guides you need for a specific category. Remove and place any pre-selected judge or guide entries not needed into pool 4 (Separating Entries for Cast Drawing).
2. Determine how many two-dog casts will be in the category. If any, add that amount of blank entry forms into pool 4. This allows having three entry slips to be drawn to each scorecard.

eliminating any perception of manipulating the draw in any manner.

- a. Draw an entry to each scorecard from pool 1 and 2 until all scorecards have a hunting judge. These entries may be turned up and stuck to the scorecards.
- b. For any scorecards still needing a guide, draw a hunting guide from Pool 3. These entries shall be turned face down on the scorecard.
- c. Complete your draw using the remaining entries from Pool 4. These entries shall be turned face down on the scorecard.
- d. Each scorecard now has three entries on it. Before sticking the entry to the scorecards check for any multiple owners or more than one blank on the same scorecard.
- e. Publicly read the Hunt Master/Hunt Director Checklist that is included in the Event Packet, before calling out casts.

8. WHILE CASTS ARE IN THE WOODS

The Hunt Master must remain at the hunt headquarters during the course of the hunt. No questions, pertaining to scoring during the hunt, may be called in to the HM/HD. The HM/HD may not accept any information pertaining to final score via a phone. The scorecard must be returned by the deadline in order for the winning dog to be considered for placement.

9. AFTER THE SCORECARDS ARE TURNED IN:

- a. Note the time received. Recheck each dog's score. HM/HD has the authority and shall make corrections to any mathematical errors. Check to see that handlers signed the scorecard. Any handler that does not sign the scorecard shall be given the opportunity and may do so in view of the official. Otherwise, that dog is scratched. Check to see if handlers, having left the cast for any reason, have indicated hunt time used and other dogs' scores at the time they left the cast.
- b. Any questions must be notated with a question mark (?) on the scorecard.
- c. If there is a question noted, get the cast off by themselves to discuss the situation and make your decision. Only individuals directly involved in the dispute should be included in any of the discussions. Wait until the scorecards are returned before discussing a situation that arises in the woods. Members of the cast have thirty (30) minutes to make a complaint after the scorecards are turned in.
- d. If a question is not satisfactorily resolved, any owner or handler has the right to request a panel. Refer to the rulebook in the section under, Appeal Procedures.
- e. Keep scorecards confidential until deadline or until all scorecards have been returned. THIS MUST BE RIGIDLY ENFORCED. Scorecards must then be made available for review. Any owner or handler questioning a dog's score, or event placement, must do so not later than thirty minutes after the posted deadline to return scorecards.

10. REPORTS

- a. Remind all club officers that the scorecards and their copy of the report must be kept for one (1) year.

11. GENERAL INFORMATION

- a. Encourage clubs to educate their members on the rules and conduct rules seminars for Judges, Hunt Masters, Hunt Directors and participants.
- b. Study rules on the back of the scorecard and any revisions published on the website.
- c. Remember to use good judgment. You are the person responsible to see that the hunt is run in a manner that is fair to all and that everyone is treated in a fair and impartial way.

12. POLICIES SPECIFIC TO HM FORMAT

- a. All Hunt Masters must be licensed by UKC.
- b. A Hunt Master may have a dog, registered in their name (full or joint ownership), entered in the event, but the Hunt Master MUST stay at the club at all times and is not permitted to handle the dog in the hunt.
- c. A Hunt Masters will listen to and rule on all questions brought in from the woods, provided the cast has indicated the situation with a question mark (?) on the card. Remember that situations not questioned and notated at the time of the matter in question, cannot be heard. If question is not satisfactorily answered by the Hunt Master, a panel may be requested. Refer to Rule 17 for more information on requesting a panel.

13. POLICIES SPECIFIC TO HD FORMAT

- a. Hunt Directors are not required to be licensed by UKC.
- b. A Hunt Director may be the owner, and or the handler, of a dog entered in the event.
- c. A Hunt Director will not rule on questions brought in from the woods. The Hunt Director will be responsible for forming a panel to rule on all questions. If qualified, the HD may serve on a panel.

14. HUNT MASTER REQUIREMENTS FOR LICENSING

Following are the procedures and requirements for an application to be considered:

- The applicant must be a member of an approved club and be recommended by officers of the club. It is felt that the club will know the background and qualifications of the applicant through club activities.
- The applicant's character, honesty and integrity must be above reproach.
- They must have a thorough knowledge of UKC's rules and policies and have demonstrated good judgment.
- The applicant must be at least twenty-one (21) years old.
- They must completely fill out the application and pass the test covering UKC Feist Event rules and policies, which may be obtained from UKC.
- An applicant, having met the requirements of items above, must serve an apprenticeship under one (1) UKC Licensed Hunt Master, and be recommended by him/her in order to be considered for a license. No more than two (2) apprentices may serve under a Hunt Master at an event. Apprentices are subject to the same restrictions as the Hunt Master concerning entering their dogs in the events where they serve. However, all decisions must be made by the licensed Hunt Master.
- Once a Hunt Master is approved, the license is issued indefinitely. However, licenses are subject to review and may be withdrawn by UKC at any time.
- All licenses for UKC Hunt Masters shall be granted or withheld at the sole discretion of United Kennel Club.
- The licensed Hunt Master must remain up to date with the rules and policies. Otherwise, they will place themselves in jeopardy of losing their license.

UKC® FEIST SQUIRREL HUNT HONOR RULES

Revised September 1, 2022

1. HONOR RULES

Before beginning a hunt, a deadline time for completion of hunt will be announced and time posted in plain view of all hunters. The deadline time of hunt and return of scorecard to Hunt Master/HD shall be indicated on the scorecard. Host club has the option of conducting 60, 90, or 120-minute hunts. Hunting time must be the same for all casts and must be announced. All hunters, judges, and/or guides must be drawn publicly for their cast. Owners having multiple entries will have dogs drawn on separate casts if possible. Dogs to be drawn to the fewest casts possible. All dogs, including Champions, to hunt entire hunt time unless scratched. Casts are not to be drawn until after entries close at the listed deadline. Those in entry line at deadline time will be entered.

All events will be run as a combined entry, unless specified to be a breed specific hunt. Any one-dog cast requires a non-hunting Judge be assigned to that cast.

2. HANDLERS

The handler's duties are to know their dog's voice and nature. Also, to advise Judge of any of the dog's peculiarities before hunt begins and to tell Judge when dog trees.

- a. It is the handler's ultimate responsibility to know the rules and abide by rules, and the decisions of the Judge, Hunt Master, Hunt Director, and Question Panel.
- b. A handler must always conduct himself/herself in a sportsmanlike manner. A handler becoming loud, aggressive, or belligerent may be scratched regardless of the merit of his/her argument. A handler displaying unsportsmanlike conduct or failing to abide by these rules shall be reported to the hunt director. Refer to Misconduct Guidelines found on website.
- c. Any handler found guilty of interfering with another handler's dog in any way that would affect their ability to compete may be subject to disciplinary action.
- d. A handler may not encourage, discourage, scold, or discipline their dog during the cast. This includes the use of hand signals

- to control the dog. Praising a handled dog is not considered encouraging. Refer to Rule 13 (q), if applicable.
- e. A handler may not leave the cast without permission from the judge for any reason. The judge may give a handler permission to leave the cast to search for their dog during time-out. Judge may grant permission for handler to go to their dog on a separate tree after the tree is closed or if all dogs are declared treed, handled, or hunt time expires. EXCEPTION: Handlers may not be granted permission or leave the cast, while search time is running during the scoring of a tree, to go handle a dog on a split tree.
 - f. Each handler is encouraged to remain with the cast for the entire hunt even though his/her dog may not be a part of the cast. Cast members retain voting obligations if dog is withdrawn or scratched. EXCEPTION: If handler is scratched for misconduct that handler loses all voting privileges.
 - g. If permitted, a handler is allowed no more than three spectators. See Rule 4. Handler's dog(s) will be scratched for rule violations by their spectators.
 - h. It is the handler's responsibility to check time and score before signing scorecard.

3. JUDGES AND GUIDES

Clubs have the option to use non-hunting judges for any or all categories. One or the other must be used on all casts within a given division. Non-hunting Judge may be assigned to any cast at the discretion of Hunt Master and/or club officials, if deemed necessary. Cast members do not have the authority to designate or assign a non-hunting judge to their cast. The authority of the Judge ceases when the scorecard is turned in to the Hunt Master.

NON-HUNTING JUDGES

1. The Non-Hunting Judge has complete authority and is responsible for making all decisions, including the scoring of all trees, calling time out and whether or not a tree has been previously scored.
2. The decision of the Non-Hunting Judge may be questioned in the field at the time the decision is made, or a call that is not being made. It will be scored with a question mark (?) and taken to the Hunt Master/Hunt Director after the hunt is over, unless it involves a dog being scratched from the hunt. The Non-Hunting Judge's decision cannot be overturned in the field by a majority vote of cast members. If a question has not been satisfactorily resolved by the decision of the Hunt Master, a Panel may be formed for a \$10 fee (this is the first step when utilizing the HD Format). If a handler is still not satisfied the Appeal procedure must be followed. All Appeals must be filed immediately after the Panel has ruled and must be accompanied by a \$20 fee.

HUNTING JUDGES

1. When a non-hunting judge is not utilized, a hunting judge will be appointed to each cast. This person must have knowledge of the rules and be able to interpret and apply them in a fair manner. Authority of the Judge begins when he is officially designated and receives the scorecard.
2. They will show no favors to any dog or hunter and will inform handlers of score and time recorded, if requested.
3. If hunting Judge scratches his dog he should continue to judge the cast as a hunting Judge. The following procedure must be followed when using Hunting Judges:
 1. The host club must designate a Hunting Judge for each cast from the entries received (see procedure for selecting hunting judges under Hunt Master/HD Guidelines (Drawing Casts)).
 2. The Hunting Judge has complete authority and is responsible for scoring all situations with exception to three situations only.

The following three situations go directly to a majority of the cast vote:

- a. Scoring a tree (plus, minus, or circle). This does not include 1) the decision on whether or not the squirrel could cross out to an adjoining tree or scoring multiple trees as one tree or; 2) whether the game seen is a squirrel or off-game. The Hunting Judge makes those decisions, but they may be questioned by a handler as outlined below (7).
- b. Calling time out.
- c. Whether or not dogs are on a previously scored tree.

3. Any cast members, though scratched, retain all voting privileges. Exception: If handler is scratched for unsportsmanlike conduct handler loses all voting privileges.
4. In the event only one cast member remains in the hunt, handler must return to Hunt Master/Hunt Director for a Non-Hunting Judge to complete cast. Deadline may be extended, if necessary, for this cast only.
5. Should a situation arise where a handler questions a call that was made, or a call that should have been made but wasn't, that handler may ask to have his question voted on by all cast members that remain with the cast at that time.
6. Majority of cast rules. Each handler must vote, or their dog will be scratched. If majority decision is not reached, the call stands as it was scored by the Judge. Any handler that is not satisfied with the majority of cast decision retains the right to place a question mark (?) on the card and present his question to the Hunt Master/HD Panel.
7. If the matter has not been satisfactorily resolved by the decision of the Hunt Master, a Panel may be formed for a \$10 fee (this is the first step when utilizing the HD Format). If a handler is still not satisfied the Appeal procedure must be followed. All Appeals must be filed immediately after the Panel has ruled and must be accompanied by a \$20 fee.

GUIDES

1. A Guide is willing to take a cast to a location where they can hunt safely and has permission. Any member of the cast, be it a non-hunting judge, hunting judge, or handler, may be a guide.

4. SPECTATORS

- a. The Hunt Director will discuss and announce if spectators will be allowed on casts, if agreeable with the majority of cast members. Spectators should be allowed to accompany the cast if possible.
- b. There shall be no more than three (3) spectators allowed per handler on any one cast unless otherwise agreed upon by the remaining cast members.
- c. Handlers shall be responsible for the conduct of spectators accompanying them on casts. Handler's dog will be scratched for rules violations by their spectators.
- d. Spectators must follow the directions of the judges and Hunt Director/Hunt Master.

5. CELL PHONE USAGE

Cell phones may be used for keeping time and other reasonable situations during the hunt. Cast members should not be using them to contact other casts or individuals at the club to find out information pertaining to scores. Individuals found guilty of correspondence or relaying any type of electronic messaging with reference to scores, that is deemed detrimental to the integrity of event placements or the hunt, are subject to suspension from United Kennel Club.

6. TRACKING AND TRAINING COLLARS

Tracking Only Devices: The handheld of locating only devices may be carried by the handler. Device may be used during the hunt but only under strict provisions as outline below. A dog must be heard treeing before a tree call may be accepted regardless of any tree alerts on the handheld.

Tracking and Training Combo Devices: Any handheld device capable of both locating (tracking) and controlling (stimulating or toning) may not be carried by the handler during the hunt. The handheld must be left in the vehicle and may not be used by the handler or spectators during hunt time. However, the handheld may be used during time out situations during the hunt for locating purposes only.

Training Only Devices: Any handheld device capable of controlling a dog (stimulating or toning) must be left in vehicle and may not be used by handler or spectators until dog wearing device is scratched and all other dogs are recovered for re-casting. Controlling device rule violations may result in suspension.

Under no circumstances shall telemetry be used to determine the scoring of any dog(s).

If by way of telemetry a handler deems dog to be in danger, per an item outlined in Rule 14, they may ask for a cast vote to call time out. If a majority is not reached the handler may withdraw then handle the dog due to safety concerns.

At no time may a handler demand the cast walk in the direction of a dog that has not been heard opening. The judge, or majority of the cast when hunting judge is used, may agree to walk in that direction.

When considering the use of telemetry during the hunt the handler may not interfere with any handler's ability to listen for their dog. This to be rigidly enforced. Handlers not adhering after being warned of such by the judge; shall result in their dog being scratched from the cast.

A Hunt Master / Panel may not consider any debate that is based on telemetry use.

that was made, or a call that should have been made but wasn't, that handler shall ask to have his question voted on by all cast members that remain with the cast at that time.

- 3. Each handler must vote, or their dog will be scratched. It takes a majority vote to overturn judge's decision. Any handler that is not satisfied with the outcome retains the right to place a question mark (?) on the card and present his question to the Hunt Master/panel. Situations not questioned and notated at the time Judge's decision is made will not be considered.
- 4. Scorecards to be carried by Judge and must be scored by Judge in plain view of all.

AMERICAN FEIST OFFICIAL UKC BREED STANDARD TERRIER GROUP

*© Copyright 2015, United Kennel Club.
Revised December 11, 2025*

The goals and purposes of this breed standard include: to furnish guidelines for breeders who wish to maintain the quality of their breed and to improve it; to advance this breed to a state of similarity throughout the world; and to act as a guide for judges.

Breeders and judges have the responsibility to avoid any conditions or exaggerations that are detrimental to the health, welfare, essence and soundness of this breed, and must take the responsibility to see that these are not perpetuated.

Any departure from the following should be considered a fault, and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog and on the dog's ability to perform its traditional work.

HISTORY

The word "feist" is an ancient one referring to a small, often noisy, dog. The Feist breeds were developed in the rural South by breeders who needed low-maintenance dogs to hunt small game and to eliminate vermin. Feists were often the result of crosses between hunting hounds and terriers. Today's American Feist is the result of generations of breeding for performance, and it is still primarily used to hunt squirrel, although they are also used to hunt raccoon, rabbits and flushing game birds.

The American Feist was recognized by UKC on July 1, 2025.

GENERAL APPEARANCE

The American Feist is an agile, active, small tree dog. The body is slightly longer than tall. Regardless of the size of the individual dog, the legs must be long enough to allow the dog to move quickly and with agility in rough terrain. The head is blocky, with a broad skull, a moderate stop, and a strong muzzle. The tail is straight, set on as a natural extension of the top line, and may be natural or docked. The coat is short to medium and smooth. The American Feist should be evaluated as a working dog, and exaggerations or faults should be penalized in proportion to how much they interfere with the dog's ability to work. Scars should neither be penalized nor regarded as proof of a dog's working abilities.

CHARACTERISTICS

American Feists are used most frequently to hunt squirrel, raccoon, and opossum. They hunt using both sight and scent and are extremely alert dogs. On track, they are virtually silent. Dogs are bold, not timid.

HEAD

The head is proportionate to the size of the body. When viewed from the side, the muzzle is slightly shorter than the skull and joined by a definite stop. The planes of the skull and muzzle are parallel.

SKULL - The skull is flat and broad, tapering slightly toward the muzzle. Cheeks are muscular, but not over-developed.

MUZZLE - The muzzle is long and sufficiently broad and deep to balance the skull. Lips are tight. Lip pigment matches nose pigment and eye rims.

TEETH - The American Feist has a complete set of evenly spaced white teeth meeting in a scissors bite.

NOSE - Nose color is dark or black.

Disqualification: Pink nose

EYES - Eyes are brown, ranging from dark to amber. Eye rims match nose pigment. Disqualification: watch eye.

EARS - Ears must be in proportion to dog's head.

NECK-The neck is clean, muscular, and of moderate length. The neck gradually widens from the nape and blends smoothly into the shoulders.

FOREQUARTERS

Shoulders are well laid back. The upper arm is long and forms an apparent 90-degree angle with the shoulder blade. The forelegs are strong, straight, and moderately well boned. The elbows are set close to the body, but able to move freely in action. The pasterns are short, powerful, slightly sloping, and flexible. "Bench legs" are acceptable but not preferred.

BODY

A properly proportioned American Feist is slightly longer than tall. Chest is moderately wide and deep, with the brisket reaching the elbow. Ribs are well sprung and extend well back. Back is of moderate length, and level, blending into a muscular, slightly arched loin with slight to moderate tuck-up.

HINDQUARTERS

The hindquarters are strong and muscular. The bone, angulation, and musculature of the hindquarters are in balance with the forequarters. The stifles are well bent, and the hocks are well let down. When the dog is standing, the short, strong rear pasterns are perpendicular to the ground, and viewed from the rear, parallel to one another.

FEET

The feet are round, well arched, and tight. Pads are hard, tough, and well cushioned. Dewclaws may be removed.

TAIL

The tail is set on at the end of the croup. The natural tail is thick at the base and tapers toward the tip, or it may be a natural bob. When the dog is alert, the tail is carried in an upward curve. When relaxed, the tail may be carried straight out behind the dog.

COAT

The coat is short to medium, dense, and smooth. Disqualification: Long or shaggy coat.

COLOR

Any color or color pattern. Disqualification: Albinism or merle color.

HEIGHT AND WEIGHT

Height, measured at the withers, must not be less than 12 inches nor greater than 18 inches. Ideal working weight should not be under 12 pounds nor over 30 pounds and is dependent on the dog's height. The American Feist should always be presented in hard, working condition.

FOUNDATION STOCK

For foundation stock, dogs up to 20" may be registered as an American Feist. They may be used for breeding purposes, no dog over 18" will be allowed to hunt or show.

GAIT

American Feist gait is smooth and effortless, with good reach of forequarters. Rear quarters have strong driving power, with hocks fully extending. Viewed from any position, legs turn neither in nor out, nor do feet cross or interfere with each other. As speed increases, feet tend to converge toward centerline of balance. This breed is capable of great bursts of speed when needed.

ELIMINATING FAULTS

Dogs under 12 inches or over 18 inches (An Eliminating Fault is a Fault serious enough that it eliminates the dog from obtaining any awards in a bench show/conformation event).

DISQUALIFICATIONS

A dog with a disqualification must not be considered for placement in a bench show/conformation event and must be reported to UKC.

Unilateral or bilateral cryptorchid. Viciousness or extreme shyness. Albinism. Deafness. Blindness. Overshot or undershot bite. Pink nose. Watch eyes, light eyes. Merle color.
