

Safety Guidelines

Please note: the safety guidelines for the Premier Nationals are subject to change as Michigan's executive orders are updated. All event entrants will be notified of changes via email.

1. In order to limit crowd size and maintain social distancing, this event will be conducted in a "show-and-go" format. Meaning that exhibitors may only be in the event area 30 minutes prior to their scheduled ring time and are asked to leave immediately after the conclusion of judging.
2. No spectators will be allowed. (Parents, children, or extra handlers will be allowed).
3. Event attendees who are not fully vaccinated will be required to wear nose-and-mouth covering for the duration of the event per the state guidelines.
4. Limited indoor crating and grooming spaces will be available. Exhibitors who would like to reserve a crating or grooming space may do so at ukcdogs.com. Reservations will open on May 10th at 12:00 p.m. ET. Grooming spaces will be \$70 per 8x10 space and Performance crating spaces will be \$30 for a 3x4 crate space. Spaces will be assigned by UKC and exhibitors must follow all crating and grooming rules. Free outdoor spaces will be available under a grooming tent as well as spaces nearby the outdoor rings for personal canopies.
