Please verify the classes/events your dog is entered into upon picking your armband up. If there are any errors, please see the superintendent at the event immediately. All entry errors must be corrected prior to the start of judging.

Class Change/Correction of Entry — Owners are responsible for the accuracy of information and any errors on the entry forms. There will be no refunds for invalid entries. Dogs that, according to their owners' records, have completed the requirements for a title after the closing of entries, may be moved-up from the entered class to another class for which the dog is now eligible. Requests for a move-up must be made in writing to UKC no later than one-half hour prior to the start of any regular judging at the show. Dogs entered in Agility, Drag Racing, Obedience or Rally Obedience may be substituted if the entered dog is unable to remain entered. Substitutions will only be made for the same event type and class(es) in which the original dog was entered. The substituted dog does not have to be entered in all of the classes as the original dog, however no refund will be given for classes not being substituted. (For example, if the original dog was entered in AGI A for all 6 agility trials, the substituted dog may only be entered in the AGI A class for up to all six agility trials.) All substitutions must be submitted in writing with an entry correction form and a newly completed entry form for the substituted dog prior to the close of Day of Show entries on the day in which the substitution will be taking effect.

GATEWAY NATIONALS INDEX OF PRE-ENTRIES

For your convenience, the following division of entries has been carefully tabulated; however, the United Kennel Club does not assume responsibility for complete accuracy.

This index has been prepared to enable exhibitors to know the number of dogs pre-entered. All dogs pre-entered may not be present on the show day and day of show entries may change the final entry numbers.

The breakdown is noted by the number of class males-class females-Champions-Grand Champions. For breeds with varieties the variety is noted before the tabulation of Champion and Grand Champions.

ENTRY CANCELLATION AND REFUNDS

1. No refunds will be given for invalid entries and dogs found to have been entered in the incorrect class after the class has been judged.
2. No refund of entry fees will be made for entries cancelled after the Pre-Entry deadline or if the numerical entry limit for performance events has been reached, except in the cases of bitches that come into season and are entered in a performance event. In those cases, refunds may be obtained by providing the superintendent with a veterinarian's certificate verifying that the bitch came into season after the closing date. The certificate must have the official logo or letterhead from the vet along with all contact information and may be mailed, provided the postmark is no later than the date prior to the day of the trial, or delivered by hand at the event to the UKC Superintendent personnel before the start of the trial(s). The UKC Superintendent will determine if a bitch has come into season on the day of the event to determine if a refund will be given.
3. Entry fees shall not be refunded if a dog is absent, disqualified, excused by Veterinarian or Judge, or barred from competition by action of the Event Committee.
4. Entry overpayments will not be refunded.
5. If, because of weather, riots, civil disturbances, or other acts beyond the control of the host organization it is impossible to open or to complete a show or trial, no refund of entry fee will be made.
6. If, in the opinion of the host club, the well-being of dogs, exhibitors or spectators is at risk due to extreme weather conditions, such as, but not limited to rain/thunderstorms, tornados, snow storms, hurricanes, lightning, or extreme heat, the host club may cancel or stop a show or trial before completion. No refunds will be made in such cases.

JUDGING CONFLICTS FOR DOGS COMPETING IN MULTIPLE EVENTS

1. Exhibitors are responsible for being available for judging at the scheduled time.
2. Every possible effort will be made to accommodate exhibitors who have dogs entered in multiple events, but judges are not required to wait for dogs. Exhibitors are advised to notify stewards in all rings affected by the conflict so that judges make accommodations as necessary.
3. If a performance exhibitor misses a scheduled judging time, the judge has the discretion to allow that exhibitor to run at the end of the class when possible or mark the dog absent. The Judge's decision is final. No dog may be judged after the class has been awarded.
