

WELCOME TO UKC® PREMIER NATIONALS!

SPECTATOR GUIDE

This annual event features thousands of dog entries in many different sports, generally representing over 150 different breeds. Dogs compete all year long to earn an invitation to the prestigious Top Ten and All Stars competitions held every year in Kalamazoo, Michigan. Be amazed as purebred and mixed-breed dogs swim, run and jump their way to the top as they show off their skills.

PLAN AHEAD

-  This event is held rain or shine! Bring a jacket and an umbrella in case of inclement weather. UKC Premier Nationals offers indoor and outdoor viewing areas for various dog sports. Spectators are welcome to explore the grounds.
-  The action lasts all day. The busiest event times with the most action will be happening between approx. 8am and 12pm, with many sports lasting into the late afternoon and early evening. Hungry while you're here? Visit a food vendor, conveniently located on site.
-  Only those dogs pre-entered by May 8th, 2023 are allowed on the grounds during the event, so please leave Fido at home. Scope out all the fun dog sports UKC has to offer. Hopefully we'll see you back in Kalamazoo next year with Fido as the star.

Scan the QR code to learn how to register your dog and join the fun!
