SATURDAY, NOVEMBER 15, 2025

Conformation

Indoors on Dirt

Judges: Katherine Short, David Kittredge, Stanley Matsumoto

Start Time: 8:00 AM

Conformation Group Competition: Held on Saturday, November 15. The competition will begin at 8:00 AM. Group assignments will be posted in the competition area and on the UKC website on Friday after the conclusion of Nosework, Agility, and Weight Pull. A text alert will be sent once the group assignment is available.

Eligibility: Dogs must qualify in at least **one** performance event on Thursday or Friday to participate in the Conformation competition on Saturday.

Competition: Eight conformation groups will be judged by a panel of three judges. The judges will score each dog numerically and the table

staff will tabulate scores. The dog with the highest score between the three judges will win Group 1, the second-highest will win Group 2, and so on.

*This will **not** be a licensed conformation show, and no points will be recorded by UKC towards conformation titles.

Conflicts and Group Assignments: UKC will make every effort to assign dogs owned by the same person to different groups to avoid handling conflicts. Because groups will be random, it is possible that more than one dog of the same breed will be in the same group. It is not necessary for dogs to have breed competition.

Judging Order: Groups will be judged numerically from Group 1 to Group 8.

POINTS CALCULATION

Points will be awarded based on scores in performance classes, the titles a dog has earned, and their placement in the Conformation group competition. On Saturday, the final points will be tabulated for the 32 dogs that win a group placement in Conformation. The ten dogs with the highest number of points will be announced at the banquet dinner.

Tie Breakers: In the event that two dogs end up with the same number of points, the dog with the higher group placement in Conformation will be placed over the other. If the tie remains, the winner of the tie will go to the dog with the higher evaluation score in Conformation.
