## EVENT SUPPORT ANNOUNCEMENT

Beginning in 2021, the UKC **All Breed Event Support Team (ABEST)** will aid UKC All Breed Sports clubs and offer support at UKC-licensed events. United Kennel Club staff or representatives will attend six club-hosted events (outside of Classics or major event like UKC Premier) each year to offer hands-on support such as:

- helping with event paperwork
- processing day of show entries
- answering rule- or policy-related questions
- hosting relevant seminars

Will **ABEST** help at my club? UKC will select events **ABEST** visits each year based on past event attendance and the experience of the club, among other factors.

The hard work our clubs do to put on excellent events is immensely appreciated, and we want to do our part to make running events easier. We are excited to continue building strong relationships with our clubs, judges, and exhibitors and to make our events better than ever!

**UKC's All-Breed Event Support Team** is ready to offer hands-on assistance to UKC clubs and judges at events. Email [allbreedsports@UKCdogs.com](mailto:allbreedsports@UKCdogs.com) with any questions.
